School Excellence Framework

Culture of & Structure for Continuous Improvement

4 of 4 complete

Leadership & Collective Responsibility:

Score

Leadership & Collective Responsibility is characterized by an unwavering commitment to fulfilling a shared vision of success. There is a clear focus and high expectations for staff and students, motivating the entire school community to continue striving for success for every student.

1 2 **3** 4

Facilitate Core Beliefs Activities to identify stakeholder priorities
Facilitate Data Discussion regarding school ratings, areas of growth, areas of strength and strategies to improve the school rating
Facilitate Grade Level Meetings, Morning Meetings, Data Meetings and Activities that are aligned to the Vision and Mission
Identified 3 Big Rocks/Focus Areas for the School (Literacy, Gradual Release and Responsibility and Culture and Climate)
Shared School-Wide Expectations for all staff in June 2017, at August PD, During Grade Level Meetings and Morning Meetings
Share and implement the vision and mission with parents and various stakeholders during Local School Council and Parent Advisory Council Meetings as well as Open Houses, State of the School Addresses, Parent Meetings, Report Card Pick Up Dates, etc.

Guide for Leadership & Collective Responsibility

- **Set the direction and create a sense of purpose by building consensus on and implementing a shared vision.**
 - Consider the demographics of the school community in developing a shared vision.
 - Help stakeholders understand the relationship between the school's vision and their initiatives and priorities.
 - Consistently use informal and formal opportunities to champion and articulate the vision.
 - Act in ways that consistently reflect the school's core values, beliefs, and priorities in order to establish trust.
 - Ensure the school's identity, vision, and mission drive school decisions.
 - Use the Multi-Tiered System of Support framework as a standard for how to distribute leadership and make significant decisions both academically and social-emotionally.
- **Inspire a culture of collective responsibility for the success of ALL students in the whole school (not solely teacher's own students).**
- **Empower others to make or influence significant decisions.**
 - Build shared leadership structures and opportunities for job-embedded leadership training and development.
 - Capitalize on the leadership skills of others.
 - Constantly listen and synthesize what is heard, and learn from all sources.
- **Employ the skills to effectively manage change.**
 - Master skills associated with large-scale strategic planning processes and implementation of such plans.
 - Steer through the challenges associated with making improvements, both large and small.
- **Create and sustain a coherent instructional program (coordinated and consistent) with learning goals.**
- **Use the CPS Framework for Teaching to ground instructional guidance and coaching.**
 - Model ambitious goals for teaching and learning for all students, including priority groups.
 - Draw from the best available evidence to inform instructional improvement decisions.
- **Enable staff to focus and prioritize what matters most.**
 - Buffer staff from external distractions to the school's priorities and goals.
 - Limit school improvement goals to a few high leverage activities.
 - Prioritize teaching challenging content, engaging students in learning, rigor and ways to raise achievement.

Evidence, Measures, and Standards

Suggested Evidence	<ul style="list-style-type: none"> ✓ School's vision, beliefs, and how it is shared (e.g. presentations to community, promotional materials) ✓ Five Essentials – Program Coherence
Measures	<ul style="list-style-type: none"> ✓ Five Essentials
Five Essentials	<ul style="list-style-type: none"> Effective Leaders Collaborative Teachers
CPS Framework for Teaching	<ul style="list-style-type: none"> 4d. Growing and Developing Professionally 4e. Demonstrating Professionalism
CPS Performance Standards for School Leaders	<ul style="list-style-type: none"> A1. Assesses the Current State of School Performance and Develops a CIWP A2. Implements Data Driven Decision Making and Data Driven Instruction A5. School Vision and Mission Drive Decision-Making D4. Demonstrates Change Management

Instructional Leadership Team:

Score

The ILT is characterized by having a consistent structure for teacher leadership that is focused on creating and implementing the theories of action that improve teaching and learning. ILT meetings are a productive forum to identify challenges, collect and review evidence, exchange ideas, and propose and implement solutions to challenges to school improvement.

1 2 3 4

The ILT met monthly during the 2016-2017 School Year and there was a need to identify an area of focus to target specific school wide data. Therefore, we determined that the ILT needed to:

- ~ Meet bi-weekly
- ~ Focus on BAG Data and Trends to decrease our level 3 and 4 behavior infractions, increase our attendance rate to 95% School-Wide, and increase our On-Track Rate to 60%
- ~ Identify Professional Development that is needed, plan the the PD and develop protocols to implement the learned skill
- ~ Plan Learning Walks and Peer Observation Schedule utilizing the Network 9 Tool
- Empower Teacher Leaders and Faculty Leaders by providing leadership opportunities and training and by delegating leadership roles (Interviewing, Committee Leads, Data Leads, ILT Membership, PD Presenter, After School All Stars)
- Provide guidelines, expectations and feedback on performance
- Promote, highlight and recommend staff members to present at various meetings within and outside of the school
- Allocate and acquire funding to compensate staff members for their leadership impact on the school

Guide for Instructional Leadership Team

- **Engage in on-going inquiry (e.g. continuous improvement cycles) as a basis for improvement.**
 - Gain productive insight and take substantial new action or adjust strategy that clearly addresses root causes.
 - Relentlessly ask, "Is it working?" about every program, initiative, and strategy in the school.
 - Vet Initiatives and strategies on the basis of their direct or proven impact on outcomes.
 - Monitor if previous actions were implemented (fidelity) and working as intended. Ask, "If not, why not?"
- **Share leadership for improving teaching and learning with representative school members.**
 - Organize the team around a common understanding of team's purpose and instructional priorities.
 - Represent all relevant specialty content areas, programs, related services, and grade bands/department teams and is an appropriate size.
 - Represent a balance of work styles (e.g. task-oriented, provides push-back, synthesizes, etc.)
- **Use protocols and ask probing questions.**
 - Ask questions focused on factors within sphere of control and avoid a focus on student factors.
 - Use appropriate protocols and level of analysis (grade, school-wide, individuals) for meeting purpose.
 - Systematically consider root cause(s) based on thorough review of evidence.
- **Use timely and relevant data/evidence sources.**
 - Gather and use current and relevant local student, school, teacher performance (e.g. attendance data, assessment results), and operational data formatively to review and revise school and classroom practices as needed.
 - Disaggregate data for priority student groups (e.g. English learners, diverse learners).
- **Schedule and structure frequent meetings.**
 - Meet regularly (2-4 times per month).
 - Use an agenda with a clear focus.
- **Collaborate effectively, value transparency, and inform and engage stakeholders.**
 - All team members have equity of voice and are actively engaged in asking questions.
 - Celebrate small wins and improvements.
 - Regularly inform and engage stakeholders of key data and work of the ILT.
- **Build the capacity of teacher teams to lead cycles of learning and problem solving focused on student learning data and student work.**

Evidence, Measures, and Standards

EVIDENCE, MEASURES, AND STANDARDS	
Suggested Evidence	<ul style="list-style-type: none"> ✓ ILT Effectiveness Rubric Score ✓ ILT artifacts (e.g. agenda, calendar, protocols, minutes) ✓ Evidence that work of ILT has contributed to positive outcomes for students and staff ✓ Teacher team agendas/minutes reflective of ILT focus

	<ul style="list-style-type: none"> ✓ Instructional Leadership Team Planning Tools ✓ PLC and Mentoring Coaching Resources

Professional Learning:

Score

Professional Learning includes sufficient time, support, and 'safe practice' space to internalize new knowledge to change practice and beliefs. Adults persevere in collaboration with their colleagues to innovate and improve implementation of new practices.

1 2 **3** 4

~ We provide protected time for internal PD that is provided by the school and external PD that is provided by Network 9 and the District

~ We survey staff to determine the needs for PD

~ We review NWEA Data, Progress Monitoring Data, Learning Walk Data, Lesson Plans, Teacher Practice and adherence to the scope and sequence to determine PD needs and to request PD

~ We develop and implement a PD Schedule that addresses our PD Needs (Restorative Practices, Guided Reading, STEM and Humanities Summits, Calm Classroom, CHAMPS, Depth and Breadth of Knowledge, Error Analysis)

Identify staff members for programs that will develop leadership (Rochelle Lee Teacher Award, Leading Educators, Teacher Leadership Institute, Restorative Practices, Social Emotional Learning, Calm Classroom, PBIS)

Schedule dedicated time for Grade Level Meetings for all Gradebands/PLC's

Provide coverage, meeting time and resources for PLC's and Leads

Facilitate New Teacher Meetings in order to provide supports and to share best practices

Develop and implement the Professional Development Calendar

Guide for Professional Learning

- **Select and design professional learning (PL) to achieve school-wide improvement, including closing priority group achievement gaps.**
 - Use data to identify performance and practice gaps to inform PL plan.
 - Use research about best practices to identify potential learning and subject matter experts to support.
 - Solicit feedback from staff to inform selection of PL opportunities.
 - Provide PL relevant to the cultural and linguistic needs of students.
 - Provide both whole staff and differentiated PL to individual teacher levels.
- **Implement and sustain on-going, job-embedded professional learning (PL) (e.g. coaching, peer learning opportunities, action research)**
 - Recommend and/or provide PL opportunities directly related to individuals' specific areas of need and professional growth goals.
 - Encourage staff to broaden networks to bring new knowledge and resources to learning environment.
 - Teachers initiate opportunities for professional growth and proactively seek opportunities to enhance content knowledge and pedagogical skill.
- **Structure time for teachers to collaborate and learn together.**
 - Create schedules and systems to conduct peer observations, and coaching. Reflect on its impact.
 - Teachers provide and accept collegial support and feedback to/from colleagues.
 - Teachers participate in and facilitate professional inquiry in teams to advance student learning.
- **Make 'safe practice' an integral part of professional learning.**
 - Allow teachers ample time to try new strategies, refine skills, grapple with implementation problems, and share knowledge and experience.
 - Provide support that addresses the specific challenges of changing classroom practice. Provide coaching/mentoring support to validate continuing to work through struggles.
- **Monitor implementation to ensure staff uses new knowledge to improve practice and it is having the desired effect on practice and student outcomes.**
 - Conduct frequent non-REACH observations to provide coaching and actionable feedback.
- **Provide induction and support for new teachers.**
 - Assign each new teacher a mentor who is skilled in pedagogy and is an open, collaborative colleague.
 - Schedule a series of 'learning experiences' for new teachers that helps them navigate important initiatives (e.g. REACH) and provides information on school specific goals and resources.

Evidence, Measures, and Standards

EVIDENCE, MEASURES, AND STANDARDS	
Suggested Evidence	<ul style="list-style-type: none"> ✓ School's PD Plan – review for goal alignment – does the plan advance the school's improvement agenda? ✓ PD agendas, PD feedback surveys ✓ Teacher practice improving on the Framework for Teaching (e.g. Basic>Proficient, Proficient>Distinguished)

Aligned Resources:

Resources (e.g. time, budget, staff, and community resources) are aligned to school priorities. Improving achievement guides resource allocation. Making the most of student time and staffing is a priority. The school organizes resources school-wide through schedules and staffing plans that target additional time and individual attention to those students who need it most and to highest priority subject areas.

Score

1 2 **3** 4

Allocate funding aligned to school priorities, student needs and staffing that best supports the needs of the school
 Develop School-Wide Schedule that include required time allocations for each subject, protected Grade Level Meeting times, PSRP, Security and Support Staff Schedules
 Purchased a part-time Case Manager to facilitate Special Education needs
 Allocated funds for a literacy consultant to assist with developing teacher skills on increasing rigor and questioning skills

Guide for Aligned Resources

- **Design a school day that is responsive to student needs.**
 - Use CPS Instructional Time Guidelines to maximize instructional time.
 - Use CPS Instructional Block Guidelines to maximize academic-engaged time.
- **Align the budget to the CIWP priorities and the mission of the school.**
 - Avoid overemphasis on the purchase of products/programs that are not research based or do not respond to SEF needs.
 - Leverage strategic source vendors to maximize dollars.
 - Seek and obtain grants to support articulated needs.
 - Use grant funds strategically to support areas of highest need.
 - Maximize the use of supplemental funding to close any priority group achievement gaps.
- **Streamline purchase procedures to minimize lapses between ordering and receiving materials.**
- **Evaluate, to the extent possible, the consequences for student learning of resource allocation decisions to develop an evidence base of outcomes of particular uses of resources.**
- **Have a 'hiring team' and collaborative hiring process with clear selection criteria to identify and select best available candidates.**
 - Actively work to build a pool of potential staff members, particularly difficult to fill positions (e.g. staff to serve English learners).
 - Use an interview process including a protocol for questioning and select highly qualified candidates.
 - Require a classroom lesson demonstration to assess candidate expertise, philosophy and commitment.
 - Check teachers' previous performance at CPS schools.
- **Strategically assign teachers to grade and content areas to create a balanced team with a variety of strengths.**
 - Ensure all students have fair access to high-quality teachers in the school.
- **Effectively utilize Related Service Providers at the classroom level.**
- **Use data including teacher evaluations and exit interviews to inform a retention strategy.**
 - Create a positive climate and working conditions for teaching that attracts and retains educator talent.
 - Create opportunities for growth including opportunities for staff to assume additional leadership roles or pursue personal growth goals.
 - Track retention rates over time and use this information to isolate staffing strengths and identify opportunities to improve.
 - Solicit information from staff using exit interviews/surveys to understand reasons for leaving school or district.
- **Make outreach efforts to engage community members as partners and resources.**
- **Partner with one or more organizations that share the values of the school and have a complementary mission to the school's vision.**
 - Monitor the impact of partner organizations' activity.

Evidence, Measures, and Standards

Expectations for depth & breadth of Student Learning

4 of 4 complete

Curriculum:

Score

1 2 3 4

The curriculum – what students should know and be able to do - makes standards come alive for students. All students have access to an academically rigorous curriculum that inspires students to think and contribute high quality work to authentic audiences beyond the classroom. The curriculum fully integrates academic and social emotional learning opportunities for all students, including diverse learners, English learners, and advanced learners. The school regularly examines the curriculum to check alignment to standards and opportunities for all students to meet those standards.

School purchased curriculum materials for all students that was aligned to the CCSS
 Teachers utilize social emotional learning standards in their daily lessons
 School utilizes Calm Classroom
 School is a recipient of a Restorative Practices Grant
 Staff participate in PD to examine the curriculum

Guide for Curriculum

- - **Align units of instruction (horizontally/vertically) to scope and sequence maps and pace units and lessons appropriately.**
 - Focus so units can be adequately addressed in the time available.
 - Examine formative data to determine mastery and pace. Discuss how much time it takes to adequately address the essential elements, and the viability of documents that articulate essential content and timing of delivery (e.g. pacing guides, curriculum maps).
 - **Utilize the ‘big ideas’ that should be taught to determine whether students are being taught the body of knowledge, the understandings and the skills expected.**
 - Identify the essential understandings – what students should learn in greater depth. In other words, know ‘covering everything but learning nothing’ does not work.
 - **Expose and extend opportunities for all students to grade appropriate levels of text complexity in all types of texts, including informational in all content areas.**
 - Articulate language goals that are separate from and support content goals. Literacy - reading, writing and speaking are essential ‘learning tools’ across the curriculum (disciplinary literacy).
 - **Engage all learners in content areas by fully integrating opportunities for all learners, including:**
 - Diverse learners to demonstrate core knowledge and skills.
 - English Learners to develop academic language to demonstrate mastery.
 - Use English and native language development standards in addition to content standards to differentiate instruction and assessments for English learners, to ensure meaningful access to content, regardless of English language proficiency.
 - Understand research and implement programs to develop native language literacy for English learners.
 - Advanced learners to extend core knowledge and skills.
 - **Integrate academic and social emotional learning.**
 - **Connection to real world, authentic application of learning. For example,**
 - Provide opportunities for meaningful project-based learning.
 - Integrate field-based learning through partnerships with city institutions (e.g. museums), colleges, universities, and community based organizations.
- - Curriculum is culturally relevant/sustaining and provides opportunities to explore and celebrate students’ communities, culture, history, and language.
 - Curriculum is tailored to the strengths, needs, and interests of each student.

Instructional Materials:

Materials to present learning content and what the learner uses to demonstrate are characterized by variability and flexibility. Materials are identified and adapted to increase access to learning for all students. Materials include multimedia and embedded, just-in-time supports; varied tools and supports; alternative pathways, and varied levels of support and challenge. (adapted from UDL Guidelines 2.0)

Score

1 2 3 4

School purchased curriculum materials for all students that was aligned to the CCSS
 School purchased Compass Learning, Stride, Text, Leveled Reading Books, Reading in Motion

Guide for Instructional Materials

Instructional materials (including technology) are.....

- **Aligned to curricular plans and expectations of the standards.**
- **Varied and flexible.**
 - Are selected and adapted based on learning objectives and learner needs.
 - Include a variety of quality media, manipulatives and supplies to achieve valued learning outcomes.
- **Intentionally planned by identifying or adapting appropriate tools (including technology) for specific instructional needs.**
 - Student outcomes and developmental appropriateness determine when and who will use the materials.
 - Materials are updated/upgraded in response to new information and understandings.
- **Equitably available and accessible to all teachers and students.**
 - Teachers and students have available a variety of high quality, standards-aligned instructional materials and resources.
 - Materials are in English and native language for English learners.
 - Reference and resource materials are readily available and circulated throughout the school.
- **Include multimedia and embedded, just-in-time supports (e.g. hyperlinked glossaries, background information, and on-screen coaching) – for conveying conceptual knowledge.**
 - Students interact with instructional materials to engage all modalities in the learning process.
 - Technology is integral to students learning experiences.
 - Units and lessons include grade-appropriate levels of texts and other materials so every student can access the content/skills.
- **Include tools and supports needed to access, analyze, organize, synthesize, and demonstrate understanding in varied ways – for learning and expression of knowledge.**
 - The needs of the students at different performance levels are met by using a variety of instructional materials that allow students to draw on all of their learning capacities.
 - The teacher models effective use of various materials.
 - Students understand that materials are a means to acquire language, knowledge, and competencies.
 - Technology enhances students' higher order, creative thinking and problem solving.
 - Materials connect subject area content to real life applications.
- **Include alternative pathways including choice of content, varied levels of support and challenge, and options for recruiting and sustaining interest and motivation – for engaging and learning.**
 - Students make choices about instructional materials as part of learning.
 - Materials address the needs of the total child: cognitive, linguistic, social, emotional, physical, and aesthetic.
 - Consumables are often non-print supplies that promote active, hands-on learning.

Evidence, Measures, and Standards

EVIDENCE, MEASURES, AND STANDARDS	
Suggested Evidence	<ul style="list-style-type: none"> ✓ Cross-section of materials from a variety of content areas and grade levels ✓ Evidence of scaffolding and differentiation for all students to access the content/skills ✓ Description of materials in curriculum and/or lesson plans ✓ Presence of varied texts, supplementary media (e.g. videos)
Measures	<ul style="list-style-type: none"> ✓ SGRP Attainment and Growth

CPS Framework for Teaching	<ul style="list-style-type: none"> 1a. Demonstrating Knowledge of Content and Pedagogy 1b. Demonstrating Knowledge of Students 1c. Selecting Learning Objectives 1d. Designing Coherent Instruction
CPS Performance Standards for School	<ul style="list-style-type: none"> A3. Allocates Resources to Support Student Learning, Prioritizing
NOW WHAT? MATERIALS TO SUPPORT IMPROVEMENT PLANNING	
	<ul style="list-style-type: none"> ✓ Universal Design for Learning Guidelines 2.0 ✓ UDL PD Modules ✓ CPS Integrated Library System (S.O.A.R.)

Rigorous Student Tasks:

The school regularly examines student work - what students are being asked to do on in their classrooms - across grades or courses in all content areas. Examining the texts and tasks students experience provides the necessary insight to gauge rigor and illuminate how the standards are actualized prompting the question whether or not approaches support the true spirit of college and career readiness. (adapted from The Education Trust – Equity in Motion Series)

Score

1 **2** 3 4

- Posted on the board near the agenda, explicitly mention standard to students so they know what they're expected to learn
- Evident in lesson plans, reference specific CCSS
- Assessments aligned with these standards

Guide for Rigorous Student Tasks

- **Begin with the belief that all students can learn. (see *Culture for Learning*)**
 - Convey high learning expectations for all students and develop structures that enable practice and perseverance for each individual student.
 - Create an environment where students assume responsibility for high-quality work by persevering, initiating improvements, addressing critiques, making revisions, adding detail and/or helping peers.
 - Communicate the necessity of attendance and engagement everyday in order to succeed.
- **Plan and assign tasks that are cognitively challenging for individual students and require students to provide evidence of their reasoning.**
 - Align tasks with standards-based learning objectives that reflect the depth of knowledge expectations.
 - Tasks are Integrative to draw on multiple standards.
 - Teach for Robust Understanding in Mathematics (TRU Math). Engage students with important mathematical ideas, not simply receiving knowledge, requiring students to engage in productive struggle.
- **Tasks reflect the key shifts in literacy.**
 - **Complexity:** Tasks reward close reading of complex text; Focus on comprehension of academic language, not obscure vocabulary.
 - **Evidence:** Cite evidence from text and write to sources, not decontextualized prompts.
 - **Knowledge (non-fiction):** Tasks embed reading and writing across disciplines with a variety of literary and informational complex texts and tasks and demonstrate comprehension through speaking, listening.
- **Tasks reflect the key shifts in mathematics.**
 - **Focus:** Tasks reflect a curricular and instructional focus on the major work in (e.g. operational fluency and number sense in K-2).
 - **Coherence:** Multi-grade progressions stress key beginnings (e.g. ratios in 6th grade) and key end points (e.g. fluency with multiplication in 3rd);
 - **Rigor:** Problems require construction of mathematical reasoning and critiques of other possible solutions.
- **Provide opportunities for students to create authentic work for real audiences (beyond the teacher) to motivate them to meet standards and engage in critique and revision.**
- **Examine student work to identify and showcase the qualities of strategic thinking that are both rich in content and relevant for students.**
 - Analyze models with students to build a vision of quality.
 - Use protocols to collectively reflect regularly on the level of cognitive demand asked of students across the school, particularly priority group students, to think strategically as speakers, listeners, readers, and writers.
 - Analyze student work samples as part of professional learning to best support students' attainment of quality work and standards.

Transitions, College & Career Access & Persistence:

Score

The school creates pathways to success built on a vision in which all students leave secondary school with a clear plan for their initial postsecondary destination, whether in apprenticeship training, work, or college. All students have equal access to college preparatory curriculum to be successful. The school is characterized by structures for developing early postsecondary awareness and the knowledge and skills that lay the foundation for the academic rigor and social development necessary for college and career success. Students are equipped with the confidence in their ability to implement and adapt their plan throughout their lives as they and the world around them change. This vision sees students as the architects of their own lives. (adapted from Creating Pathways to Success, Ontario)

1 2 3 4

School developed a Counseling/SEL Class that the counselor facilitates. In this class, students are exposed to character education via presentations and assemblies, Naviance completion, GoCPS and Parent Workshops, High School Fairs, High School Visits, and Career Workshops.

Guide for Transitions, College & Career Access & Persistence

- **TRANSITIONS - Have structures and processes in place to ensure successful transitions (e.g. into school , grade to grade, school to school, school to post-secondary).**
 - Mitigate the adverse effects experienced by some students in transition – such as arriving part-way through the school year – that can cause students to fall behind or become disengaged from school.
 - Monitor the progress of English learners after transition from services.
 - Provide programs and interventions that help students as they move from middle school through Freshmen year, including but not limited to: High School Investigation Days, CTE recruitment fairs, Freshmen Connection program (where budget allows), and a robust Freshmen Orientation program. Implement targeted holistic student supports the entire Freshmen year.
 - Provide sustained summer learning experiences to minimize learning loss and support key transition periods (e.g. summers before Kindergarten, HS, and college).
 - Use student data and best practices research to develop focused programs.
 - Expand access beyond students who are struggling academically.
 - Provide school counseling and postsecondary advising transition support and follow-up during “Summer Melt” and the first year of college.
- **AWARENESS - Expose students early to academic/professional worlds beyond K-12.**
 - Provide students opportunities to discover personal talents and skills, identify career interests, and pursue coursework/activities necessary to reach personal, academic and career goals. Expose students to CTE Pathways around career options
 - Expose students to a range of career paths and the educational requirements of each to improve long-term planning and goal-setting.
 - Start the conversation about college in primary grades.
 - Make parents aware of academic opportunities and supports for their child.
- **READINESS – Ensure equitable access to college preparatory curriculum.**
 - Provide access to 8th Grade Algebra to all eligible 8th grade students.
 - Provide access to early college and career coursework and credential opportunities while in HS (e.g. AP credit, Dual credit, industry credentials (CTE), Seal of Biliteracy)
 - Teach students to analyze their transcripts and test scores, as well as connect course selection, attendance, and grades to their continued success and access to postsecondary options, and adjust their actions and behavior to make progress toward graduation and their top postsecondary choice. Provide support and motivation to encourage B’s or better and improving attendance.
 - Create opportunities for students to explore college and career knowledge, mindsets, and skills necessary for academic planning and goal setting.
 - Find opportunities to work with all students on academic and personal behaviors, including persistence, engagement, work habits/organization, communication/ collaboration, and self-regulation.
 - In Naviance, develop an Individual Learning Plan that tracks coursework, college and career assessments, goal setting, 6th-12th grade milestones completion that culminates in a concrete postsecondary plan.
 - Provide opportunities for Dual Credit/Dual Enrollment
- **SUCCESS - Provide direct assistance to all students and families through every stage of the college selection, application, and entry process (Transition to College (HS))** including, but not limited to academic planning/advising to assist with:
 - Selecting colleges with the best institutional graduation rates for their level of qualifications. (Students of all qualification levels are more likely to graduate from college if they attend a postsecondary institution with high graduation rates)
 - Researching/comparing options including short and long-term financial outcomes, comparing college graduation rates, and other statistics to narrow down options.

- Researching living wage options such as an apprenticeship or certification programs for students who wish to work after high school and/or want to delay college.
- Applying to multiple colleges—generally three or more.
- Navigating financial aid and capitalizing on grant and scholarship opportunities.
- Equipping students and families with persistence strategies. (College Persistence Toolkit)
- Help families learn about existing CTE career pathways, apprenticeships/pre-apprenticeship programs

Expectations for depth & breadth of Quality Teaching

3 of 3 complete

Instruction:

Score

The teachers have finely honed instructional skills. They can shift from one approach to another as the situation demands by carefully monitoring the effect of their teaching on student learning. They seamlessly incorporate ideas and concepts from other parts of the curriculum into their explanations and activities. Their questions probe student thinking and serve to extend understanding. They promote the emergence of self-directed learners.

1 2 3 4

Make a teaching point during lessons to talk with students about how they can use what they're learning in the classroom and apply it to the outside world.

Teachers implement Guided Reading in their classrooms daily

Teachers have schedules and Lesson Plans posted in their classrooms

PBIS, Calm Classroom, Champs and Second Step are being implemented in classrooms

Guide for Instruction

- **Plan a range of effective pedagogical approaches suitable to student learning of the content/skills taught and anticipate student misconceptions.**
- **Effectively communicate with students.**
 - Guide students to articulate the relevance of the objective(s) to learning.
 - Anticipate possible student misunderstanding.
 - Enable students to develop a conceptual understanding of content while making connections to their interests, knowledge, and experience.
 - Enable students to contribute to extending the content by explaining concepts to their classmates.
 - Build on students' language development and understanding of content.
 - Use vocabulary appropriately for students' ages and development. Students contribute to the correct use of academic vocabulary.
- **Use questioning and discussion as techniques to deepen student understanding and challenge.**
 - Use a variety of low- and high-level, open-ended, and developmentally appropriate questions to challenge students cognitively, advance high level thinking and discourse, and promote metacognition.
 - Use techniques that enable students to engage each other in authentic discussions about content. And, enable students to formulate their own questions and respectfully challenge one another using viable arguments based on evidence.
 - Encourage student responsibility for ensuring all voices are heard in the discourse and that all students are listening and responding to questions and answers from their teacher and peers.
 - Require students to cite textual evidence to support/develop a claim.
- **Engage students in learning.**
 - Scaffold instruction to ensure all students, including diverse learners and English Learners, access complex texts and engage in complex tasks.
 - Provide targeted supports to individual students or groups of students based on their identified needs.
 - Provide instruction designed to develop language domains for English learners.
- **Monitor the effect of teaching on student learning and integrate formative assessment into instruction.**
 - Monitor progress and check for understanding for individual students.
 - Change instructional practice based on analysis of current data.

- Use universally designed assessments that allow for multiple pathways for students to demonstrate understanding of the objective(s).
- Also see *Balanced Assessment*.
- **Persist in adjusting instruction so individual student misunderstandings or advanced needs are successfully accommodated.**
 - Intervene in a timely and effective way to help students who are struggling.
 - When formative assessments show a need for intervention or enrichment, make effective impromptu adjustments that individualize instruction.
 - Use progress monitoring data to trace effectiveness of interventions and student response to intervention.
- **Foster student ownership.** Create opportunities for students to have voice and choice in instructional tasks.

Balanced Assessment & Grading:

A balanced assessment system effectively measures the depth and breadth of student learning and monitors student progress towards college and career readiness. It also produces actionable data to inform planning for instruction, academic supports, and resource allocation. To meet these goals, a balanced assessment system must include multiple measures and be responsive to the needs of all students, including diverse learners and English learners.

Score

1 2 3 4

Give assessments that have real world application on them so students know they can apply this knowledge to the outside world and create authentic work products.

Guide for Balanced Assessment & Grading

- **Use multiple measures (i.e. a range of assessment types and at multiple points in time) to supplement district-centralized assessments with other formative assessments to provide a more comprehensive picture of student learning.**
- **Use screening, diagnostic, and progress monitoring assessment to correctly identify specific gaps and monitor improvement, especially for students receiving Tier 2 and 3 services, in addition to Tier 1 core instruction. (also see *MTSS and Instruction*)**
- **Make assessments accessible to students, including diverse learners and English Learners through employing features of universal design and use of accommodations and, where needed, modifications.**
 - Provide accommodations in presentation (i.e. how assessment text and tasks are presented to students), response (i.e. how students provide their answers), and/or setting/timing (i.e. scheduling/location of assessment).
- **Utilize assessments that reflect the key shifts in literacy and mathematics in teacher created or selected assessments.** (see Rigorous Student Tasks)
- **Utilize assessments that measure the development of academic language for English learners.**
- **Have access to and analyze school-wide, teacher team, and classroom assessment data to determine instructional effectiveness and subsequent learning needs**
- **Improve and promote assessment literacy.**
 - Work together on building common assessments within a department, course, or grade level team.
 - Invest resources in helping teachers evaluate and improve the quality of formative assessments. For example, use the Assessment Design Toolkit.
 - Use common protocols and calibrate on scoring and grading in teacher teams.
 - Analyze quality and alignment of assessments and tasks to ensure they meet the expectations of the standards and embed various levels of complexity.
- **Have a grading system that clearly, accurately, consistently, and fairly communicates learning progress and achievement to students, families, postsecondary institutions, and prospective employers.**
 - Ensure that students, families, teachers, counselors, advisors, and support specialists have the detailed information they need to make important decisions about a student's education.
 - Measure, report, and document student progress and proficiency:
 - Against a set of clearly defined cross-curricular and content-area standards and learning objectives collaboratively developed with staff.
 - Separately from work habits, character traits, and behaviors, so that educators, counselors, advisors, and support specialists can accurately determine the difference between learning needs and behavioral or work-habit needs. academic mindsets and behaviors (CCSR).

- Ensure consistency and fairness in the assessment of learning, and assignment of scores and proficiency levels against the same learning standards, across students, teachers, assessments, learning experiences, content areas, and time.
- Ensure grades are not used as a form of punishment, control, or compliance.

Multi-Tiered System of Supports:

The school is characterized by full implementation a system of academic and social emotional (SEL) supports for all students. Every day, in all classrooms, all teachers provide: Universal instruction in the core curriculum - academic & SEL (Tier 1) to all students; additional targeted academic and SEL supports (Tier 2) where needed; and deep and intense supports (Tier 3) based on individual and small group needs. The school also monitors On Track data (grades/GPA and attendance (ES), and course credits (HS)) to provide interventions/supports for students at risk for failure and/or truancy.

Score

1 2 3 4

PBIS, Calm Classroom, Champs and Second Step are being implemented in classrooms

Guide for Multi-Tiered System of Supports

- **TIER 1 - Persist in adjusting instruction so individual student misunderstandings or advanced needs are successfully accommodated. (3e)**
 - Intervene in a timely and effective way to help students who are struggling.
 - When formative assessments show a need for intervention or enrichment, teachers make effective impromptu adjustments that individualize instruction for students.
 - Use progress monitoring data to trace effectiveness of interventions and student response to intervention.
- **TIER 1 - Customize the learning environment, pace, and approach of teaching and curriculum in order to meet each learners' individual needs ('Personalized Learning').**
 - Empower student to advance their learning.
 - Use up-to-date individual student profiles that include strengths, needs, motivations, and outlines an individualized path to reach his/her goals.
 - Classrooms are student-centered with student agency.
 - Each student has the opportunity to advance upon demonstrating mastery.
- **ON TRACK - Provide universal supports to prevent failing and absenteeism and targeted interventions for grades below "C" or chronic absenteeism. (On Track)**
 - Identify students off track due to low attendance and poor course performance and provide intensive supports to address root causes of why students have low grades and poor attendance.
- **TIER 2 & 3 - Collaborate and work as teams of teachers and Related Service Providers (RSP) to plan and monitor targeted student support with varied instructional strategies and SEL support of varying degrees of intensity for all students.**
 - Monitor students requiring and receiving targeted and intensive instruction/interventions.
 - Use the Problem Solving Process to plan Tier 2 and 3 instruction/interventions.
 - Determine appropriate interventions for students or groups of students not making adequate progress.
 - Use progress monitoring data to track effectiveness of interventions and student response to intervention.
- **TIER 2 & 3 – Implement Personal Learning Plans (PLP) goals and intervention strategies for students requiring school year supports as described in Elementary School Promotion Policy (Board Report 09-1028-PO2).**
 - Ensure implementation of these plans, review subsequent 5 week data, determine the effectiveness of the strategies and adjust plans as needed.
- **Communicate to parents/guardians the additional supports and/or interventions provided for their child to better align school and home environments.**

Expectations for Quality & Character of School Life

6 of 6 complete

Culture for Learning:

Score

1 2 3 4

A culture for learning is characterized by a school atmosphere that reflects the educational importance of the work undertaken by both students and staff. It describes the norms that govern the interactions among individuals about the mindsets (e.g. ability/confidence to grow with effort), academic behaviors (e.g. attending classes, completing assignments), the learning strategies and skills, the value of perseverance despite challenges and obstacles, and the general tone of the school. The classroom is characterized by high cognitive energy, by a sense that what is happening there is important, and that it is essential to "get it right." There are high expectations for all students. The classroom is a place where teachers and students value learning and hard work, and students take visible delight in accomplishing their work. Staff believe they can make a difference, that their hard work is the fundamental cause of student achievement, and are invested in student outcomes.

Learning walks to show projects and student work posted in the classroom
 Rubrics displayed that accompany activities, projects and lessons
 Professional development provided for teachers to examine DOK and the correlation between student work and the CCSS also showing levels of rigor and student mastery
 Students are recognized and highlighted for their academic, behavioral and attendance achievements
 Students are held accountable for Individual NWEA Data Sheet.
 Students are aware and held accountable for NWEA Growth Goal for the school year.

Guide for Culture for Learning

- **Create a culture that reflects a shared belief in the importance of learning and hard work.**
 - Use strategies to reinforce and cultivate student curiosity.
 - Make learning goals relevant to students, and inspire students to stay committed to their learning goals.
 - Consistently communicate the expectation that all students can achieve at high levels.
 - Utilize strategies to encourage daily and timely attendance.
- **Convey high learning expectations for all students and develop structures that enable practice and perseverance for each individual student.**
 - Clearly display school-wide expectations for academic and personal success throughout the building.
 - Set high expectations according to grade-appropriate learning objectives.
 - Differentiate expectations so all students stretch to not only meet but exceed personal learning goals.
 - Recognize high levels of student achievement. All students receive recognition.
 - Encourage student resilience and hard work.
 - Ensure students feel safe to share misunderstandings and struggles.
- **Encourage students to take ownership and pride in their work where students assume responsibility for high-quality work by persevering, initiating improvements, addressing critiques, making revisions, adding detail and/or helping peers.**
 - Students self-assess (e.g. checking own work before giving to teacher) to develop a reflective habit of mind essential for improvement. This ensures students take responsibility for their own learning, focuses attention on criteria for success, and increases effort and persistence.
- **Provide students frequent, informative feedback.**

- Tell/show students what they have done well (through positive reinforcement) and what they need to do to improve, including clarifying criteria and goals.
- Give feedback on the task, the processes used to complete the task, and on the student's ability to self-regulate their own learning.
- **Develop academic mindsets and behaviors.**
 - Teach a growth mindset that over time with effort and practice, students can learn and succeed.
 - Encourage students' sense of belonging to the school and classroom community (see Relational Trust).
 - Employ strategies including ongoing monitoring and support of students' academic behaviors.
 - Praise effort and process. For example, "Good job, that must have taken a lot of effort" instead of, "Good job. You must be really smart."

Relational Trust:

Score

The school is characterized by high levels of relational trust between all school participants - the "glue" or the essential element that coordinates and supports the processes essential to effective school improvement. Interactions, both between the teacher and students and among students, are highly respectful, reflecting genuine warmth and caring. Students contribute to high levels of civility. Interactions are sensitive to students as individuals, appropriate to the ages and development of individual students, and to the context of the class. The net result of interactions is that of academic and personal connections among students and adults.

1 2 3 4

Staff members serve as check-in/check out mentors
 Provide Monthly Incentives for students to engage them in school-wide activities
 Provide opportunities for students to mentor younger students during lunch and recess
 Provide quarterly community events for school beautification, service learning and family events
 Plan and facilitate events for all student demographics
 Staff plan and attend school-wide and social events
 Staff planned a Sip and Survey Soiree to complete the MVMS Survey during grade level meetings to work collectively

Guide for Relational Trust

- **Develop trusting relationships with students so each student has at least one trusted adult in the school.**
 - Adults are responsible for occasional check-ins or serve as mentors.
- **Adult-student interactions are positive, caring, and respectful.**
 - Ensure a greater proportion of interactions are positive (as opposed to corrective) between staff and student consistently school-wide.
- **Student interactions are mutually supportive and respectful, with strong norms for positive behavior.**
 - Create opportunities for students to build positive relationships with peers.
 - Create opportunities for older students to mentor younger students.
- **Understand diversity and its impact on student learning; recognize and integrate the learning opportunities that come from a diverse community.**
 - Create opportunities for students to learn about the community they serve (e.g. culture and neighborhoods).
 - Have mutual respect for individual differences (e.g. gender, race, culture, etc.) at all levels of the school—student-student; adult-student; adult-adult and overall norms for tolerance.
 - Provide training to engage diverse families and communities.
- **Support and respect one another, personally and professionally (Teacher-Teacher Trust, Teacher-Principal Trust)**
 - Respect other teachers who take the lead in school improvement efforts.
 - Respect colleagues who are experts at their craft.
 - Exchanges are marked by genuinely listening to what each person has to say and by taking these views into account in subsequent actions. Even when people disagree, individuals can still feel valued if others respect their opinions.
 - Personal regard springs from a collective willingness to extend beyond the formal requirements of a job definition or a union contract (e.g. openness or reaching out to others).
- **Utilize relationships as a means of deterring truant behavior brought on by unspoken hurdles a child may be facing.**

 Plan and facilitate events for all student demographics

Guide for Student Voice, Engagement, & Civic Life

Study politics

- Teachers teach about the structure and function of government as well as local, national, and international political structures and power dynamics.
- Teachers invite students to reflect on their own role in the political landscape, engage in analyses of power, and identify strategies they can use to utilize civic power as an individual and as a member of a community.
- **Become informed voters and participants in the electoral process**
 - Students learn about the history and structures of the local and national voting process and ballot issues and candidates.
 - The school supports non-partisan engagement in all parts of the electoral process, including voter education, voter mobilization and registration.
 - There are a variety of school/classroom activities or simulations that support student voter preparation and participation in the electoral process.
- **Engage in discussions about current and controversial issues.**
 - Students prepare for discussions, learn about issues that matter to them through deliberation, evaluate evidence from a range of sources, consider competing views, develop arguments, and deepen their viewpoints.
 - With teachers' support, students learn how to engage in and lead respectful and productive democratic discussions where everyone expresses their viewpoints, shares evidence, and listens to one another.
 - Teachers teach how to find different points of view online and instruct how to engage in respectful, informed, and productive online dialogue.
- **Explore their identities and beliefs**
 - Teachers design learning experiences that enable students to explore how their identities influence their lived experiences and their perspectives.
 - Students are encouraged to learn about and understand the perspectives of those who have different identities and beliefs.
 - School staff reflect on their own identities and consider how that impacts their role and support of teaching and learning with youth.
- **Exercise student voice**
 - Students can participate on multiple decision/policy making bodies and their perspectives are regularly included in decisions at their school.
 - Student Voice Committee represents the diversity of the school, addresses school-based issues, and regularly gathers input from their peers to inform and impact school policy and decisions.
 - Teachers respond to and integrate students' lived experiences, perspectives, and interests in class.
 - Authentically **interact with civics leaders**
 - Students learn about community, city, state, and national civic leaders and their roles in civil society.
 - School staff support engagement with civic leaders by inviting them into classrooms/the school and identifying face-to-face or online avenues for students to share their feedback and perspectives with civic leaders.
- **Engage with their community**
 - Students complete at least 2 service learning projects before graduation in which they gain exposure to civic organizations, leaders, and careers. Students gain tools to work cooperatively in partnership with peers, community members, and organizations to advance a specific cause
- **Take informed action** where they work together to propose and advocate for solutions.
 - Students research and analyze issues that matter to them, identify root causes, develop a theory of action, determine relevant audiences, outline specific goals, implement a response, and reflect before, during and after experiences.
 - Students use social and digital platforms to raise awareness about issues, produce and circulate multimedia content, and mobilize involvement.
- Experience a **Schoolwide civics cultur**
 - School leaders articulate a commitment to and vision for the importance of civic learning; students are civic leaders in the school.
 - Schools integrate civic learning across the curriculum, including projects that address relevant issues in their schools and communities.
 - School staff have professional development, collaboration time, and curriculum resources to infuse civic learning across disciplines.
 - Systems and structures exist where students are invited to participate in shaping school's policies, goals, instruction, and climate.

Safety & Order:

The school is characterized by high levels of safety and order. Students feel physically and emotionally safe from harm, and adults work to actively maintain a safe, orderly school environment.

Score

1 **2** 3 4

Provide training for staff to properly monitor students inside and outside of the building and to report and respond to issues of safety
Applied for and received a restorative practices grant to enhance our

Guide for Safety & Order

- **Ensure students and adults feel physically, socially, intellectually, and emotionally safe throughout the school.**
- **Provide clear procedures for reporting and responding to safety concerns.**
- **Manage efficient and orderly transitions between activities.**
 - Manage classroom routines and procedures to maximize instructional time.
 - Orchestrate the environment so students contribute to the management of classroom routines (e.g. transitions) without disruption of learning).
 - Arrival, dismissal, and other school-wide transitions are safe, efficient, and orderly.
- **Provide a framework for positive behavior throughout the school based on shared values and expectations.**
 - Have shared expectations for positive behavior. (See Restorative Approaches to Discipline)
- **Teach, model, and reinforce (by all staff members) clear behavior expectations for all areas of the school.**
 - All adults use active supervision (move, scan, and interact) in all settings.
- **Have a voice and take informed action.**
 - Students are included in key conversations about their learning experience and work with the principal and staff to identify issues and implement solutions. (e.g. student voice committee).
 - Students initiate and lead some school improvement initiatives.
 - Students participate in democratic decision-making at the school level.
 - Students identify and research issues of relevance and work together to propose/advocate for solutions.
- **Emphasize proactive, instructive, and restorative approaches to student behavior and minimize punitive consequences through policies and procedures. (See Restorative Approaches to Discipline)**
 - Adults correct misbehavior in ways that reinforce established expectations and cause minimal disruption to learning.
- **Clarify criteria for office referrals versus classroom managed behavior.**

Restorative Approaches to Discipline:

The school is characterized by having and implementing policies and procedures that emphasize proactive, instructive, and restorative approaches minimizing punitive consequences. Discipline practices primarily focus on shaping behavior as opposed to punishing behavior. The school only uses out-of-school suspension as a last resort and utilizes a systems-change approach to bring

Score

1 **2** 3 4

about a more restorative culture. The school is also characterized by strong and consistent school and classroom climates. The school reinforces positive behaviors and responds to misbehaviors in calm, respectful, and thoughtful ways, teaching students important social and emotional skills that enable them to get along with others, make responsible decisions, and focus on learning. When misbehavior occurs, the school seeks to understand the underlying reasons (root cause) in order to design a response that effectively changes student behavior using a menu of instructive, corrective and restorative responses.

Drake is the recipient of the CPS Restorative Practices Grant. We have 2 RP Leads and an RP Coach.
 We provide monthly PD to staff and attend quarterly PD.
 We integrate RP Practices and Expectations into our PBIS Sunshine Committee Agendas and Action Plans
 We utilize Peace Circles, Calm Classroom, Second Step and CHAMPS

Guide for Restorative Approaches to Discipline

- **PROACTIVE - Reinforce positive student behavior with clear expectations, routines, and procedures.**
 - A team meets regularly to organize systems that support a restorative environment.
 - Develop, reinforce, and model shared agreements and clear, positively stated expectations.
 - Well-managed routines and transitions maximize instructional time.
 - Engage families as partners.
 - Contact families frequently to inform them of positive student behavior and progress.
 - Vary acknowledgements and provide both short and long term opportunities for reinforcement for all students.
- **INSTRUCTIVE - Integrate universal SEL skills instruction and core content.**
 - Intentionally teach competencies outlined in SEL Standards. Use discipline as opportunity to teach these skills.
 - Use a Multi-tiered System of Supports (MTSS) for social, emotional, and behavioral growth.
 - Use data to determine which behaviors should be retaught or more heavily reinforced.
 - Explicitly teach expected behavior and positively reinforce consistently school-wide.
 - Avoid power struggles with students by offering choices. Redirect students privately and respectfully.
- **RESTORATIVE - Employ a discipline system that guides students to take ownership, resolve conflict, and learn from their actions.**
 - Support all staff to engage in restorative conversations and respond to behavior incidents in ways that de-escalate conflict, reteach expectations, build social & emotional skills, repair relationships, and cause minimal disruption to learning.
 - Support staff in understanding the impact of trauma on student behaviors and using trauma-sensitive approaches to discipline.
 - Identify clear disciplinary procedures for classroom-managed behaviors and office-managed behaviors. Develop a continuum of interventions and logical consequences that address the root cause of behavior and align to MTSS processes.
 - Ensure discipline systems minimize the use of punitive responses, including removing students from the classroom or school community.
 - Respond equitably to students in all subgroups. Implement processes that address and meet the needs of students who are impacted by behavior incidents.
 - Designate an administrator, such as a dean or restorative practices coordinator, responsible for leading centrally-managed response to behaviors using consistent, restorative processes.
 - Provide opportunities for students to take responsibility for repairing harm caused by their actions, generate solutions, and resolve conflicts with peers or staff.

Parent and Family Partnership:

All schools have authentic partnerships with parents or family members that lead to a sense of shared responsibility for the academic, physical, and social emotional development of their students. Through meaningful consultation with parents, these partnerships include creating an intentional process to foster and sustain school-wide procedures, programs, and activities which involve and empower parents or family members and are responsive to student and family’s needs. Schools provide a variety of parent volunteer opportunities (both in and out of school) and leadership opportunities (ie - PACs, BACs and PLNs), which support school operations, instructional programs and community partnerships. Research shows that when families, schools and communities partner in promoting learning and healthy development for all students schools thrive and student outcomes increase. The development and implementation of effective outreach and communication strategies will be inclusive of all families and school staff, creating a two-way feedback loop process which will lead to an increase in the home-school connection to identify, problem-solve and design actions which target instructional and student programs.

Score

1 2 **3** 4

We provide monthly parent engagement activities
 We seek out partnerships that support parent goals and needs (gauge interests from parent surveys)
 We have an active Local School Council and Parent Advisory Council and meet monthly to provide school updates and goals as well
 We have and utilize a Parent Room for Parent Engagement
 We have 4 consistent parent volunteers
 We plan Parent Workshops and Field Trips
 We communicate with families often (monthly calendars, weekly call posts, emails and text messages, monthly LSC and PAC Meetings)

Guide for Parent and Family Partnership

- **Establish a non-threatening, welcoming environment that is warm, inviting, and helpful.**
- **Provide frequent, high quality, well publicized opportunities for families and community to participate in authentic and engaging activities in the school community (e.g. student performances/ exhibitions, literacy or math events).**
- **Provide multiple opportunities for parents to ask questions, raise concerns, and give feedback.**
 - Respond to families' concerns and requests for information professionally and in a timely manner, providing resources and solutions to address the concerns.
- **Solicit the support and engagement of families as partners in the instructional program (e.g. volunteering, working at home with their child, involvement in class and school projects in and out of school, and parent workshops).**
 - Host events for parents to share with other parents how home and school complement each other.
 - Share best practices around learning and development with parents to support students at home.
 - Inform parents of grade level standards and expectations and grading policies with a clear description of what meeting the standard looks like.
 - Inform parents of attendance expectations and the impact of attendance on a student's trajectory.
 - Assist parents to volunteer in the school and/or participate on teams/committees.
 - Promote the use of **Parent Portal** and **Parent University** to connect and engage parents with school.
- **Frequently communicate with families about class and individual activities and individual student's progress.**
 - Regularly inform parents of their child's progress across all relevant measures: attendance, discipline, academics, social-emotional learning, and health and wellness.
 - Send regular, positive, personalized communication from a staff member.
 - Use a variety of consistent communication methods (e.g. calls, text, newsletter, website, face to face) sensitive to cultural norms and needs.
- **Conduct intensive outreach to families in need of specialized support through home visits and collaboration with social services agencies.**
 - School responses to student excessive absences and/or tardiness includes outreach to families.
- **Provide proactive communication (e.g. parent handbook and resources).**
- **Partner equitably with parents speaking languages other than English.**
 - Information is provided to parents in their native language.
 - Parent meetings scheduled with interpreters present to facilitate participation.

---------------------	---------------------	---------------------------	---------------------------	---------------------------

National School Growth Percentile - Reading

We selected a goal of 60% during the 2017-2018 school year, which is a 20 point increase because we have provided teachers with PD on guided reading strategies, planning with a purpose, balanced literacy, text selection, center/station activity selection, and progress monitoring students. We purchased a Reading Consultant who worked with 3rd-8th Grade Reading Teachers or Depth on Knowledge questioning, text selection, teacher tasks and utilizing anchor text and paired texts in order to improve the level of rigorous questioning. We utilize the expertise of the Network 9 ISL's to provide PD, supports, resources and coaching for teachers and administration. We purchased Reading Street and My Perspectives as common texts to utilize school wide. Teachers were provide PD on the utilization and implementation of the text resources. We purchased STRIDE Academy as our 3rd-8th Grade Progress Monitoring Tool and provided PD to our teachers. We focused on RIT Band Instruction to group students according to their skill level and deficit areas. We sponsored After School All Stars Programs for academic enrichment and intervention. We offered Saturday Academy for 90 Students to provide an additional layer of academic support. We identified 50 students for our "10 to Win" Program that provides very targeted interventions based on student skill level. We have shared this information with parents and the community in several parent meetings. We conducted Goal Setting Sessions with students to discuss their BOY/MOY Scores and their EOY Goals. As a result of these strategies, I know that we can attain our school-wide reading growth percentile goal of 60%. We anticipate that our school will be able to meet these goals an increase incrementally by 20 points this year and 10 points in the subsequent 2 years

National School Growth Percentile - Math

We selected a goal of 50% during the 2017-2018 school year, which is a 23 point increase because we have provided teachers with PD on Small Group Instruction, Mathematical Practices, Math Instructional Units, MARS Tasks, Math Talks, Error Analysis, planning with a purpose, center/station activity selection, and progress monitoring students. We partner with the University of Chicago as members of the Math Team Learning Community. We utilize the expertise of the Network 9 ISL's to provide PD, supports, resources and coaching for teachers and administration. We purchased Envision Math 2.0 and Go Math as common texts to utilize school wide. Teachers were provide PD on the utilization and implementation of the text resources. We purchased STRIDE Academy as our 3rd-8th Grade Progress Monitoring Tool and provided PD to our teachers. We focused on RIT Band Instruction to group students according to their skill level and deficit areas. We sponsored After School All Stars Programs for academic enrichment and intervention. We offered Saturday Academy for 90 Students to provide an additional layer of academic support. African-American Growth Percentile - Reading

As a predominantly African American School, it is essential that we set goals with high expectations for all students and provide the necessary supports for students to exceed. This year we have done a tremendous job with educating our staff, students and parents about our school-wide goals and how each student contributes to our goals. We have developed monitoring tools, provided coaching, PD, resources and supports to accomplish this goal. Thus we will increase our growth percentile in reading by 18 points this year and by 10 points incrementally each subsequent year.

Average Daily Attendance Rate

We have developed a strong Attendance Committee that meets consistently and incentives and activities for students to increase Attendance Awareness and our Average Daily School-Wide Attendance Percentage. We have assigned leads for each activity and we solicit student input on the types of attendance incentives they would enjoy and like to each. We celebrate and encourage a positive attendance culture and we communicate our attendance goal daily. Furthermore, we identify students who are at risk and send letters, call homes, hold report cards, host attendance meetings and assign attendance mentors. We also collaborate with other schools and research attendance best practice strategies to implement at our school. We have demonstrated that we can maintain at least a 1.5 attendance percentage and we will continue to increase our goal by .50 in the 2018-2019 school year and by .80 points in 2019-2020 school year.

My Voice, My School 5 Essentials Survey

I am confident that our 5 Essentials Survey Data will be representative of the various changes we have made during this school year. We have identified our 3 Big Rocks in order to streamline our school-wide focus areas: Literacy, Gradual Responsibility and a Positive Culture and Climate. In addition, Administration visited all 4th-8th grade classrooms to explain the importance and purpose of the survey and facilitated the survey administration. Furthermore, we reviewed the previous 5 Essentials Staff Survey Results and provided PD for all staff on the importance of the survey, the weight of each response type and the usage of the survey data. Also, we identified a Sip and Survey Soiree Event Lead. We hosted a Sip and Survey Soiree with mock tails and refreshments while providing a safe space and protected time for teachers and special education classroom assistants to complete the survey. This collaborative process afforded staff with the opportunity to share and discuss each question and the implications for the responses. Thus, from the teacher feedback, we were able to assess that our My Voice, My School Action Plan was successful and will continue to improve as we implement our school wide expectations and align our actions and programing to our 3 Big Rocks.

---------------------	---------------------	---------------------------	---------------------------	---------------------------

OSS per 100 (all students)

The number of out-of-school suspensions per 100 students shows the number of reported incidents that result in a OSS for every 100 students at the school. This helps account for schools of different sizes when considering how frequently students are suspended, and makes it possible to make school level comparisons. The rate is calculated by taking the number of incidents that result in an out-of-school suspension and dividing it by the total number of enrolled students and then multiplying that figure by 100.

The goal is to reduce this metric by at least 7% annually for SY18-20.

OSS per 100 (Diverse Learners students only)

The number of out-of-school suspensions per 100 students for diverse learners shows the number of reported incidents for diverse learners that result in a OSS for every 100 diverse learners at the school. This helps account for schools of different sizes when considering how frequently diverse learners are suspended, and makes it possible to make school level comparisons of diverse learner suspension rates. The rate is calculated by taking the number of incidents that result in an out-of-school suspension for diverse learners and dividing it by the total number of enrolled diverse learners and then multiplying that figure by 100.

The goal is to reduce this metric by at least 14% annually for SY18-20.

16.92

9.40

9.78

8.41

7.23

OSS per 100 (African American students only)

The number of out-of-school suspensions per 100 students for African American shows the number of reported incidents for African American that result in a OSS for every 100 students at the school. This helps account for schools of different sizes when considering how frequently students are suspended, and makes it possible to make school level comparisons. The rate is calculated by taking the number of incidents that result in an out-of-school suspension for diverse learners and dividing it by the total number of enrolled African American students and then multiplying that figure by 100.

The goal is to reduce this metric by at least 7% annually for SY18-20.

% of Group 3 Misconducts Routed to OSS

This metric indicates the number of times (reported as a percent) a school assigns an out-of-school suspension to a student for their involvement in a Group 3 incident from the Student Code of Conduct. Whenever possible, interventions and consequences that do not exclude the student from their regular educational schedule should be attempted. The rate is calculated by taking the number of Group 3 incidents that result in an out-of-school suspension and dividing it by the total number of Group 3 incidents and then multiplying that figure by 100.

10.00 0.00 0.00 0.00 0.00

The goal is reduce this metric by at least 60% for SY18-19 and another 40% for SY19-20.

Serious Misconducts (Group 4-6) per 100

The number of serious misconducts per 100 students shows the number of reported SCC Group 4, 5, or 6 incidents reported for every 100 students at the school. This helps account for schools of different sizes when considering how frequently serious misconducts occur at the school, and makes it possible to make school level comparisons. This can be one indicator of how well schools are implementing social and emotional learning curriculum and integrating SEL into core academic instruction. Misconducts classified as Groups 4-6 include moderate, serious, or illegal behaviors. The rate is calculated by taking the number of Group 4, 5, and 6 misconduct codes assigned to students and dividing it by the total number of enrolled students and then multiplying that figure by 100. NOTE: This number may be higher than anticipated as sometimes multiple Group 4, 5, and 6 violations of the Student Code of Conduct may be assigned to a signal incident.

13.67 5.23 5.75 5.18 4.66

The goal is to reduce this metric by at least 10% annually for SY18-20.

College and Career Readiness

To ensure students are prepared to succeed in high school, Network 9's goal is for each elementary school to increase their 3-8 On Track Rate 30% to the 2020 SY.

Strategies

Strategy 1

If we do...

...then we see...

...which leads to...

Provide Professional Development Support and provide resources, teachers will be able to:
 1) Utilize a uniform system to progress monitor in both Reading and Math
 2) Follow the implementation guidelines and protocol to develop differentiated lessons and assessments that are aligned to the learning objective
 And if...
 1) Administration is actively monitoring the Progress Monitoring Results and Assessment Schedule

that every student (Pre K - 8th grades) completes assessments and assignments responsive to their assessments results/ability level.

a systematic, balanced and fair grading and assessing policy which will be used to shape and guide instructional moves reflective of student growth and retention trends.
 And, an increase in :
 1) The number of students who are on-track back on academics (70%)
 2) The number of students who are meeting or exceeding their growth targets in Reading (60%)
 3) The number of students who are meeting or exceeding their growth targets in Math (50%)

Balanced grading and assessment

Area(s) of focus:
3

Action step	Responsible	Timeframe	Status
Provide PD on assessment and planning development	Logli & Carter	Aug 27, 2018 to Aug 27, 2018	Not started

Balanced assessment and grading

Align assessments with what is actually being taught and assess skills every 5 weeks	Classroom Teachers	Aug 27, 2018 to Jun 19, 2019	Not started
--	--------------------	------------------------------	-------------

Balanced assessment, Balanced assessment and grading

Inform and implement a uniform progress monitoring tool	Classroom Teachers & Administration	Aug 27, 2018 to Jun 19, 2019	Not started
---	-------------------------------------	------------------------------	-------------

Balanced assessment and grading

Strategy 2

If we do...

- 1.If we incorporate Social and Emotional Learning and Calm Classroom into the classroom
- 2.Student led town hall meetings led by student leaders
- 3.Student and teacher created data boards to show student growth

...then we see...

- 1.A decrease in students infractions, suspensions, and detentions.
- 2.Student accountability and student pride in themselves and their school
- 3.Students becoming empowered by evidence of progress in order to sustain growth or make necessary changes. Positive student collaboration and competition to reach their goals.
Teachers collaborate on incorporating data driven instruction. .

...which leads to...

- 1.Better culture and climate, less classroom distractions which leads to a culture for learning
- 2.Overall student body becoming more responsible and accountable for their own learning
- 3.Creating more student and teacher collaboration and data driven discussions.

-------------------------	-----------------------	-----------------------------	-------------

Academic achievement, Data driven culture

Strategy 3

If we do...

- 1) Plan lessons with complex tasks and content alignment with the CCSS.
- 2) Include real world applications to the lessons and content being taught.
- 3) Analyze student work products aligned to assessments.

...then we see...

- 1) Students increased awareness of what they are expected to learn with each topic. Students will also make authentic connections with the world around them.
- 2) Students taking ownership of their learning, increased willingness to engage academically, and creating a positive identity of themselves

...which leads to...

- 1) Students meeting attainment and growth goals. Students learning critical content and producing evidence of mastery and progression of learning targets.
- 2) Students making broader connections to each subject being taught and an increase in authentic student work.

4) Implement a variety of research based teaching and learning strategies.

as learners (AAI).

3) Teachers having a better understanding of student specific needs.

4.) Increased student engagement, motivation and time on task.

3) Tailored instruction that best fit the needs of our students and allowing targeted differentiation of skills and content yielding an increase in overall student achievement.

4.) Rigorous instruction addressing the various learning modalities while teaching to students' unique learning styles and or behaviors.

Fund Compliance

Supplemental General State Aid(SGSA)

My school receives SGSA funds

By checking the above box, the school is verifying that the attendance center complies with the statement regarding the use of SGSA funds:

1. The attendance center allocation is correctly based on the number of students eligible to receive free and reduced lunch and breakfast.
2. The attendance center has an approved plan, developed in consultation with teachers, administrators, and other appropriate personnel, and parents of these students attending the attendance center.
3. The attendance center's plan is approved by the LSC and CPS.
4. SGSA funded activities fall within the allowable program categories: early childhood education, reduced class size, enrichment programs, remedial assistance, attendance improvement, and other educationally beneficial expenditures which supplement the regular programs as determined by the Illinois state board of education.
5. SGSA Funds supplement and do not supplant non-categorical and other categorical funds allocated to the attendance center.
6. SGSA funds are supporting only those activities specified in the school's approved plan/amendment.
7. SGSA funds are not used for capital expenditures. 8. SGSA funds are not used for any political or lobbying activities by the attendance center.

ESSA Program

ESSA Schoolwide Program

(Not available to schools receiving NCLB funds for the first time) [Title 1/SW].

The school annually reviews the schoolwide plan/program. The schoolwide program plan is available to CPS, parents, and the public, and the information in the plan is in an understandable and uniform format, and to the extent practicable in a language the parents can understand.

ESSA Targeted Assistance Program Title I funded staff participate in the school's general professional development and school planning activities. Title I funded staff assume limited duties that are assigned to similar personnel including duties beyond the classroom, or that do not benefit Title I students, as long as the amount of time spent on such duties is the same proportion of the total work time with respect to similar staff.

Non-title school that does not receive any Title funds

Parent Involvement in Targeted Assistance and Schoolwide Programs

I verify that the statement below is correct

Every Student Succeeds Act (ESSA), the reauthorization of the Elementary and Secondary Act of 1965 continues a legislative commitment to parental involvement. Central features of prior reauthorizations, such as school-parent compacts, parent involvement policies, and the parent involvement funding formula remain unaltered. However, the ESSA reauthorization represents a notable shift in the role of parental involvement in the schools. It includes new provisions increasing parental notification requirements, parental selection of educational options, and parental involvement in governance. It envisions parents as informed and empowered decision makers in their children's education.

Parent and Family Plan

Parent and Family Engagement Policy

Complete

Schools must involve parents and family in the joint development and periodic review and revision of the ESSA, Title I school parental and family engagement plan and policy, and in the process of school review and improvement. Please describe how this will be accomplished.

The Drake Annual Title 1 meeting and the Title 1 Organizational meeting will be held on Wednesday, September 19, 2018. At the beginning of the year and mid-year, the school will invite parents to meet in order to review the plan and revise as needed.

The school will hold an annual meeting at a time convenient to parents and families during the first month of school to inform them of the school's participation in ESSA, Title I programs and to explain the Title I requirements and their right to be involved in the Title I programs. The school will also offer a number of additional parental and family engagement meetings, including school PAC meetings, at different times and will invite all parents and key family members of children participating in the ESSA, Title I program to these meetings, and encourage them to attend. Please describe how this will be accomplished. Please list the projected date of your Title I Annual Meeting and your Title I PAC Organizational Meeting

The school will conduct its Title I Annual Meeting and PAC Meeting and Organizational Meeting on Wednesday, September 19, 2018. Parents will be invited and encouraged to attend monthly PAC and LSC Meetings to be informed and to voice their concerns as well.

At the request of parents and family members, schools will provide opportunities for regular meetings, including the School Parent Advisory Council meetings, for parents and family members to formulate suggestions and to participate, as appropriate, in decisions about the education of their children. Please describe how the school will immediately respond to any such suggestions.

In addition to responding to parent requests in a timely manner, parents will be informed of the regularly scheduled monthly PAC and LSC Meetings starting in September. However, the school will continue to utilize school-wide communication tools: newsletters, school calendar, robo-calls, e-mails, text messages, personal calls, website updates, and flyers, to notify parents regarding meetings to invite include their voice in the decision-making process.

Schools will provide parents a report of their child's performance on the State assessment in at least math, language arts and reading. Please describe how this will be accomplished.

Parents will receive an NWEA / On-Track Data Tracker 1 week after each NWEA Assessment (BOY, MOY, EOY). In addition, Parents will receive Progress Reports every 5 weeks and Report Cards every 10 weeks to track student progress. Also, Parents will have access to IMPACT Gradebook informing them of their child's progress.

Schools will provide parents timely notice when their child has been assigned to, or taught by, a teacher who is not "highly qualified," as defined in the Title I Final Regulations, for at least four (4) consecutive weeks. Please describe how this will be accomplished.

As required, parents will be informed via letter, phone call, and parent meeting to inform them of the status and our next steps within a week.

Schools will assist parents of participating ESSA Title I children in understanding: the state's academic content standards; the state's student academic achievement standards; the state and local academic assessments including alternate assessments; the requirements of Title I, Part A; how to monitor their child's progress; and how to work with educators. Please describe how this will be accomplished.

The School will conduct the Title I Annual Meeting and PAC Meeting during the first month of school on Wednesday, September 19, 2018. Also, Parents will be encouraged to attend their child's Mandatory Grade Meeting which will inform parents of the curriculum and grading expectations. Parent Workshops will also be provided to educate and empower parents on strategies to assist their children with homework and skill development at home.

Schools will provide information, resources, materials and training, including literacy training and technology, as appropriate, to assist parents and family members in working with their children to improve their academic achievement, and to encourage increased parental involvement. Please describe how this will be accomplished.

The School will provide Parent Workshops on various topics, including but not limited to, homework assistance, technology, Positive Parenting, SEL services in the community and mentoring services. In addition, we will survey parents on the frequency, duration, and topics of interest and optimum academic benefit for their child(ren).

Schools will educate all staff in the value and utility of contributions by parents and family and in how to reach out to, communicate and work with, parents and family as equal partners in the education of their children and in how to implement and coordinate parent and family programs and build ties with parents and

family members. Please describe how this will be accomplished.

The Administration will provide Staff PD on the value of Partnering with Parents which will include strategies for including parents in the educational process. The Administration will encourage teachers to recruit parent volunteers. Also, the school will cultivate a welcoming and purposeful environment for parents through the establishment and utilization of our Parent Room/Parent Engagement Center.

Schools will, to the extent feasible and appropriate, coordinate and integrate parent and family programs and activities with Head Start, Reading First, Early Reading First involvement, Even Start, Home Instruction Programs for Preschool Youngsters, the Parents as Teachers Program, public preschool, and other programs, to further encourage and support parents and families in more fully participating in their children's education. Please describe how this will be accomplished.

The school will collaborate with the Office of Early Childhood to encourage and support parents of Pre-School aged children with workshops and other programs offered at the District, Network and School level.

Schools will ensure that information related to the school and parent and family programs, meetings, and other activities is sent to parents in understandable and uniform formats, including language. Please describe how this will be accomplished.

The School will provide effective communication via school-wide communication tools: newsletters, school calendar, robo-calls, e-mails, text messages, personal calls, website updates, flyers and parent meetings.

Policy Implementation Activities

The LSC will approve the school improvement plan and monitor the CIWP.

In the CIWP, the school identifies current parental and family engagement practices and outlines activities related to expanding parent and family partnership programs.

The school will coordinate the parent and family engagement programs identified in the CIWP.

The school will evaluate the Parent and Family Engagement Policy for effectiveness and make improvements as necessary.

Explain why any of the boxes above are unchecked: (type "n/a" if all are checked)

N/A

School-Parent Compact

Complete

The school will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating student to meet the State's student academic achievement standards. Describe how the school will provide high-quality curriculum and instruction in a supportive environment. (Restate the school mission.)

The school will provide high quality and CCSS based curriculum and instruction by training our teachers and providing high-quality professional development. The school will also implement a balanced curriculum that will empower teachers and students. Resources will be allocated to fund the curriculum and training for teachers.
The school's mission: Our mission is to provide a rigorous instructional program that develops critical thinkers who will become lifelong learners with the ability to assume leadership roles. Our school will facilitate learning through an integrated curriculum that incorporates best instructional practices, learning strategies, and technology. We will build teachers' instructional capacity through focused and continuous professional development. With parental involvement and the support of our community partnerships, we will provide a quality education for students in a safe, supportive, and challenging environment.

The school will hold parent-teacher conferences. Describe the kinds of parent-teacher conferences that will be held and the dates on which they are scheduled.

The School will conduct mandated conferences as outlined by the district's calendar on Wednesday, November 15, 2018 and Wednesday, April 18, 2018. In addition, we will host grade level specific conferences for parents. Teachers will also meet with parents before and/or after school and during regularly scheduled preps documenting meetings with parents.

The school will provide parents with frequent reports on their children's progress. Describe when and how the school will provide reports to parents.

Parents will receive an NWEA / On-Track Data Tracker 1 week after each NWEA Assessment (BOY, MOY, EOY). In addition, Parents will receive Progress Reports every 5 weeks and Report Cards every 10 weeks to track student progress. Also, Parents will have access to IMPACT Gradebook informing them of their child's progress.

The school will provide parents access to staff. Describe when, where and how staff will be available for consultations with parents.

Parents will have access to teachers before/and/or after school and during preps (per scheduled conferences upon request). Many teachers have provided their personal phone numbers and have availed themselves for conferences. Parents can contact teachers via e-mail, phone, Class Dojo, letter, event, and/or/meeting/conference.

The school will provide parents opportunities to volunteer and participate in their children's classes. Describe how and when parents and family members may volunteer, participate, and observe classroom activities.

Once parents have completed the Volunteer Packet and cleared the background check/TB Testing, parents will have the opportunity to volunteer in classrooms, during lunch/recess, and during field trips under the teacher's supervision. Upon request, parents can observe classrooms.

The parents will support their children's learning. Describe how the parents will assist learning (i.e. monitoring attendance, homework completion).

Parents will be informed of curricular and extracurricular offerings through school correspondence. Parents will be notified of chronic attendance, academic, and behavioral issues on a weekly basis.

The parents will participate in decisions relating to the education of their children. Describe when, where and how parents will consult with the school.

Parents are valued at Drake where we are One School...One Family...One Community Committed to Learning. Parents will be allowed various opportunities to consult with the school via surveys, discussions, special meetings, phone call and e-mail. Parents will be invited and encouraged to attend LSC and PAC Meetings as well.

The students will share the responsibility for improved student academic achievement. Describe how the students will assure academic achievement (i.e. good attendance, positive attitude, class preparation).

Students will be active participants in their learning process. Students will advocate for themselves (respectfully) and come to school prepared to learn daily. Students will be engaged in developing, monitoring and meeting their learning/academic, behavioral and attendance goals. Students will be provided with leadership opportunities to promote student's voice, communication and leadership skills and will be exposed to a variety of learning experiences that will advance their educational access.

Parent Budget

Complete

Goals: Indicate goals, timeline of activities and training topics that are designed to assist parents and families with increasing their students' academic achievement. The overarching goal is to increase student academic achievement through parental and family engagement involvement; specify your goals.

The school will provide high-quality monthly parent meetings, activities, and trainings that will assist Parents with the skills and resources to support their children's academic success. We will survey parents to identify the types of activities and workshops they feel are most beneficial. With positive parental involvement and the support of our community partnerships, we will provide a quality education and programming for students and parents in a safe, supportive, and challenging environment.

Allocate your Mandated Title 1 Parent and Family Engagement Funds to support your Parent and Family Engagement Program.

Account(s)	Description	Allocation
