**Mission Statement as of May 2013**

The Barnard Computer, Math and Science mission is one of excellence in education for the twenty-first century learner. We aim to develop students who are college and career ready, life long learners and influential leaders who are ready to compete in the global society.

**School Priorities as of May 2013**

Description	Rationale
Provide weekly 90 minute accelerated and intervention performance bands for reading and math to all students in grades 3-8 based on the NWEA scores and monitor progress.	To facilitate goal setting for students. To increase the number of students (by 10%) who meet growth targets from Spring 2012 to Spring 2013 and the percent of students who are at /above grade level.
Provide students in grades K-2 with a variety of types and levels of text to increase comprehension and text complexity	To reduce the achievement gap between the percent of students who are at benchmark in K-2 and grades 3-5.
Provide engaging math performance tasks that include real world application and/or exploration enrichment activities in grades K-8.	To provide students with opportunities to engage in performance tasks that will strengthen performance in mathematics.
Provide a middle years math curriculum that aligns the Common Core College Readiness Standards and instructional materials.	To increase the explore math score (18.5%) by 10%.
