**Mission Statement as of May 2013**

The mission of John Barry Elementary school is to view each child holistically; embracing and nurturing each child's cultural experience in order to provide every student with the necessary skills for academic success through active engagement . Every child, in every classroom will be provided with an array of academic opportunities through a literacy-rich curriculum infused in technology and tailored to provide differentiation. Through modeling, Barry School will challenge every student to think critically by promoting higher order thinking skills, being reflective, and taking ownership of their learning experience.

**School Priorities as of May 2013**

Description	Rationale
School wide Integration of literacy instruction across the curriculum.	Data shows academic deficiency in Reading and Writing across all grade levels and content areas.
Create a scope and sequences by developing units of study that are aligned to the common core literacy and mathematics standards.	Transitioning into the common core standards and creating instructional consistency across all grade levels.
Provide supplemental supports and services based on student needs identified through data.	Research shows that best practices to advance students include differentiated and targeted intruction as a means to move students towards college and career readiness.
