**Mission Statement as of May 2013**

Brown School's mission is to prepare tomorrow's leaders for academic success by providing a rigorous technology integrated curriculum which develops the whole child and fosters a positive self-concept, creativity, self-discipline, values and life skills. We value the importance of partnerships with families, the community and other stakeholders.

**School Priorities as of May 2013**

Description	Rationale
Increase reading achievement by 10% on the ISAT meets/exceeds category through rigorous instruction aligned to common core learning standards and targeted interventions	We have a need to implement a rigorous literacy curriculum with aligned interventions because our school's performance is below 70 percentile.
Increase math achievement by 8% on the the ISAT meets/exceeds category through rigorous experience based learning opportunitie, instruction aligned to common core learning standard and targeted interventions	We have a need to implement a rigoursous math curriculum with aligned interventions because our school's performance is below 80 percentile.
Increase schoolwide science performance through inquiry based learning through the use of laboratory based experiences	We have a need for inquiry based science instruction at all grade levels K-8 to expose students to science concepts though STEM integration
Increase student attendance to 95% through targeted interventions and incentive programs	Brown school attendance percentage has remained below the targeted rate for over 5 years.
Teachers deliver common core aligned literacy instruction through high quality texts and technology integration	The schools has a need to develop multiple literacies to provide students with high school, college and career readiness and engage them in a broad range of standards.
