#### Mission Statement as of May 2013

Our mission at Charles S. Brownell School is to provide a safe, nurturing, child-centered climate in which each student can flourish. We are committed to providing a high quality academic program that is rigorous, engaging and prepares all students to meet their goals in continuing their education to become college and career ready. We will use every means possible to ensure student success.

### School Priorities as of May 2013

Description	Rationale
Common Core State Standards	Common Core is a national initiative that Brownell is beginning to implement. Using the common core state standards will push students to become college and career ready by preparing them to compete on a global level.
Framework for Teaching	Framework for Teaching is a district initiative that will increase the effectiveness of teachers and improve instructional practices, both of which will in turn increase student achievement.
Full Day School Plan	The Full Day School School Plan is another district initiative that will increase instructional time, allow for daily teacher collaboration, and provide time for recess.
Response to Intervention (RTI)	Early identification and interevntions will provide necessary support for students to address needs and to intervene further regression. Early identification, intervention support and documentation of additional support will serve as the key components for possible special education evaluation.
