Mission Statement as of May 2013

Luther Burbank School's mission is to provide students with a strong foundation in order to prepare them for college and career readiness. We will maintain a constancy of purpose with all staff members working towards a common goal of success for each learner. In addition, we are dedicated to the continuous improvement that promotes rigorous and differentiated instruction. Burbank's students will be educated in a safe and secure environment that fosters responsibility, self-esteem, tolerance and respect for each other.

School Priorities as of May 2013

Description	Rationale
Use Literacy Content Framework to provide rigorous, high-quality, evidence-based literacy instruction for all students.	Less than 40% of the 3rd -8th grade students are at or above level on the Reading Scantron fall assessment. By using the Literacy Content Framework to provide rigorous instruction in literacy, all students will gain proficiency in the literacy skills that are basic to learning and critical to success in college and the workplace.
Provide reading and math interventions for Kdg. - 8th grade students who are at risk of academic failure as identified by fall universal screeners.	We rated ourselves a "2" in Intervention on the SEF. By improving our intervention methods we will ensure that all students who are at risk of academic failure will increase their achievement in reading and math.
Provide a supportive learning environment for all students with primary focus on Safety, Well-Being and Positive Development.	With less than 50% of the students reporting that they feel safe on the My Voice, My School Student Survey, safety needs support. By providing an orderly and secure environment, we wil promote all students' personal well-being and ensure a supportive context for learning.
