Mission Statement as of May 2013

The Clinton School mission is to enrich the lives of all students by providing a rigorous academic program while balancing the social/emotional needs of each individual. We believe that effort and encouragement on the parts of parents, community, and staff contribute to the success of every student. To accomplish this end, technology, the arts, athletics, and character education are integrated throughout a research based curriculum to engage the whole child.

School Priorities as of May 2013

Description	Rationale
Literacy	By providing high-quality and evidence-based literacy instruction which emphasizes the teaching of the essential elements: phonemic awareness, phonics, word knowledge, fluency, comprehension, and writing(Lucy Calkins), Clinton School will improve student achievement in Reading and Writing school wide with an increased focus on LEP and students with disabilities.
Mathematics	By promoting instructional coherence across K-8 mathematics classrooms and placing a focus on math foundational skills and automaticity, Clinton School will improve student achievement in Mathematics at all grade levels with an increased focus on LEP and students with disabilities.
Science and Technology	Improve student achievement in Science at all grade levels by promoting research, inquiry-based instruction, and the integration of technology (across all content areas) that is aligned with the state and national standards.
Learning Climate / Safety	Improve student attendance, engaged learning, and student connections by providing a safe and positive learning environment that promotes social-emotional learning and student leadership development.
