Mission Statement as of May 2013

To accomplish our mission, José de Diego Community Academy commits to involve all school personnel, students, parents and members of the global community as partners in a continuous process of reading, mathematics and technological improvement. We will maintain an environment of excellence, responsibility and diversity which fosters intellectual, social and technological skills. We will accomplish this through professional development, structured learning experience and parental support. We must also attend affectively and effectively to the social, emotional and physical needs of each and every child.

School Priorities as of May 2013

Description	Rationale
Increase the number of students in math and reading at or above grade level on interim assessments by 4 percentage points.	Reviewing our current data, students are not making the gains they should be making in reading and math.
Increase the percent of students exceeding the grade level in reading and math by 4 percentage points.	Reviewing our current data, students are not making the gains they should be making with regards to exceeding the standard in reading and math.
Create a continuous improvement cycle focused on school climate.	Reviewing our current data, our misconducts are high and our attendance can be improved.
