Mission Statement as of May 2013

DuBois students will achieve city and state goals and the objectives of the Common Core State Standards with improved instruction and through increased technology, professional development and parental and community involvement with the support and enrichment of external partners, the world languages, and the arts.

School Priorities as of May 2013

Description	Rationale
Implement the Common Core State Standards in ELA.	We have a need to implement a rigorous literacy curriculum as we have below 60% meeting current state standards in literacy for all grades.
The Instructional Leadership team will effectively guide the academic focus of our school.	We are at a developing stage scoring below 2.0 in leading the charge to improving instruction and student achievement.
Provide reading and mathematics intervention to students flagged on beginning of year screeners and monitor progress.	By improving our intervention methods we will ensure all students are able to grow in math and reading proficiency.
