Mission Statement as of May 2013

Dvorak's mission is to ensure that every student achieves success in all core curricular areas by coordinating school and community resources in a safe, nurturing learning environment. We continually strive to provide a curriculum that emphasizes critical thinking and problem solving development in literacy, mathematics, science, and technology through collaborative classroom and after-school activities that work to develop the student's social and emotional skills.

School Priorities as of May 2013

Description	Rationale
Improve literacy achievement for all students; ensure alignment to CCSS and performance indicators; provide resources for comprehension, vocabulary, fluency, writing, and integrate technology to assist in closing the achievement gap.	We have a need to implement a rigorous literacy curriculum, including focused instruction in writing, as we are below 55% meeting growth targets in literacy for all grades.
Improve mathematics achievements by providing student resources that focus on CCSS performance indicators and closing the achievement gap using technology.	We have a need to implement a rigorous mathematics curriculum as we are below 45% meeting growth targets in mathematics for all grades.
Improve science achievement by providing students resources that focus on ILS performance indicators and closing the achievement gap using technology.	We have a need to implement a rigorous science curriculum as we are below 40% meeting/exceeding on ISAT.
Improve the social/emotional climate of the building by providing structures and supports for students to foster student achievement.	Our rate of misconduct is currently 4.4%. Through the use of Foundations, the intent is to reduce the rate of misconduct annually.
