83	1,128	7%		

School Type	Grades Served	Performance Rating	Space Use Status	Adjusted Space Use Status
Neighborhood	9-12	Level 3	Underutilized	

**Mission Statement as of May 2013**

The Walter H. Dyett High School family guides and empowers all students (including those with disabilities) with the academic, emotional and social foundations necessary to become lifelong learners and positive contributors to their local and global communities.

**School Priorities as of May 2013**

Description	Rationale
Deliberate course programming and interventions during school, after school and summer to ensure all students are On Track to graduate.	The Graduation rate is lower than not only the Southside Network but also the District. There are 671 credits currently that need to be recovered
Increased Literacy instruction effectiveness through professional development focused on the Common Core, and implementation of a reading program that incorporates computers, classroom libraries and test preparation.	The school-wide Targeted Instructional Area is Reading Comprehension. Increased Literacy is required in order to increase student Achievement on ACT and to increase students meeting and exceeding PSAE benchmarks.
Culture and Climate- Provide an environment to support affective and cognitive development for student academic success and social responsibility by increasing attendance, On-Track rate, extra curricular participation, and interventions.	Attendance is the lowest in the SouthSide Network and lower than the district average for high schools. Tardiness continues to impact daily attendance. High number of misconduct reports.
Developing a post-secondary program with strategies that promote and support college and career readiness for students and parental understanding and expectations for the future of their student.	To increase college eligibility, graduation and college enrollment rates.

**Programs & Services**

<b>Advanced Placement Courses</b>	No
<b>CTE: Citywide</b>	No
