### Mission Statement as of May 2013

Eberhart School will prepare all of its students for successful futures, including English Language Learners and those with special needs. Our learning community will provide a curriculum connecting literacy, math, technology and content area instruction with the fine and performing arts. Our students will develop academic skills, a sense of social responsibility, and an appreciation of the fine and performing arts to become productive members of a global society.

### School Priorities as of May 2013

Description	Rationale
Enhance the core instructional program using the Common Core State Standards to increase student achievement.	The CCSS will be the basis for raising expectations and increasing rigor. This transition will lead to an increased use of informational text and frequent application of higher order thinking skills.
Continue to increase teacher effectiveness by improving our professional learning system.	Maximize professional development to ensure teachers are able to use student data to drive instruction, plan with the end in mind, and execute best practices.
Expand the school-home-community connection to engage all stakeholders in impacting students' overall success.	Build on existing relationships with parents and community to meet the needs of our students, preparing them for future success.
