Mission Statement as of May 2013

We will align our efforts with the Common Core Standards to provide rigorous, accelerated, enriched and differentiated instruction with emphasis on the development of critical thinking and 21st century skills for all students to ensure they are college and career ready.

School Priorities as of May 2013

Description	Rationale
Build highly effective collaborative teams.	This will build teachers ability to analyze data in a meaningful way.
Build teacher's capacity to make instructional decisions based on data.	This will shape teachers ability to use best practice to address student needs and push higher performing students and improve student success at every level.
Build teacher's capacity to create performance assessments and tasks that are complex.	This will prepare students for common core state standards and develop critical thinking skills.
Build teacher's capacity to use multiple forms of student data and develop common language about data sets.	This will increase the accuracy of student data gathered and build teacher collaboration around data.
