Mission Statement as of May 2013

We are dedicated to fostering the academic, social and personal growth of our students. Through a rigorous academic curriculum that integrates the fine arts, staff, parents and the community will help prepare all of our students to succeed in high school and beyond.

School Priorities as of May 2013

Description	Rationale
Continue building collaborative learning structures within the school to strengthen knowledge of Common Core Standards	Collaboration will strengthen teacher capacity and increase student outcomes
Plan and implement instruction and assessments based on the Common Core Standards with a specific focus on higher order tasks	Schools must focus on common core standards to ensure college and career readiness
Create policies and programs for students and staff to meet the requirements of the HealthierUS School Challenge	Schools serve as leaders making the critical connection between health and learning
