Mission Statement as of May 2013

Our mission is to empower all members of the Haugan family by creating a safe, nurturing and rigorous learning environment. Together, we use best practices in technology and curriculum to provide life, social and academic skills needed to successfully work cooperatively to provide a foundation for college and career readiness.

School Priorities as of May 2013

Description	Rationale
Provide more rigorous reading instruction by using CCSS that targets comprehension skills.	By improving comprehension skills, students will become more proficient readers.
Deliver rigorous instructional strategies using CCSS will enable students to develop skills and apply mathematical concepts.	By improving mathematical knowledge, students will be provided with a strong foundation for math success.
ELL/ESL - Teachers will provide vocabulary instruction and writing using CCSS across content areas for all students.	Our school has a diverse population and a high number of ELL students. Vocabulary instruction across content areas will support language acquisition and academic learning.
