Mission Statement as of May 2013

The mission of Langston Hughes School is to provide meaningful learning experiences that will equip our students with 21st century skills and prepare our learning community to be lifelong learners through rigorous and relevant instruction, ongoing professional development, and opportunities for self-improvement in order to become positive contributors to humanity.

School Priorities as of May 2013

Description	Rationale
Literacy instruction will be delivered using the Balanced Literacy Framework and the CCSS, supported by a variety of leveled, complex and relevant texts.	Less than 50% of students, in grades 3 -8, made expected gains on Scantron testing periods 1 and 2 in Reading.
Math instruction will be delivered through a systematic approach using the CCSS and supported by engaged learning that promotes conceptual and abstract understanding, reasoning skills, and problem solving that focus on real life application.	Less than 50% of students, in grades 3 - 8, made expected gains in Scantron testing periods 1 and 2 in Math.
Science instruction will be delivered through a scientific approach supported by meaningful tasks involving the organization of knowledge around core concepts and engaged real life application activities.	Less than 50% of students met their expected performance level on the winter Scantron Assessment.
The learning community will effectively use the strategies promoted through Foundation and SEL to create a positive and proactive school wide and classroom management system to maximize instructional time and build trusting relationships.	To decrease our number of out of school (41) and in school (51) suspensions by 25%.
