Mission Statement as of May 2013

Utilize RtI and all wraparound services to increase student attendance, improve student behavior, and provide students and parents with the services they require to be successful.

School Priorities as of May 2013

Description	Rationale
Juarez students will be on track to graduate and prepared for the postsecondary world through schoolwide implementation of the Common Core.	In the classroom our focus is teaching the common core through the benchmarking process and standards based grading which will increase graduation rate, which is connected to all other metrics (EPAS, FOT, SOT)
Utilize RtI and all wraparound services to increase student attendance, improve student behavior, and provide students and parents with the services they require to be successful.	We are focusing on tier 1 RtI interventions through the Power of 3, parent university, college and career readiness program, attendance program, and restorative justice.
Improve effective use of technology to make data-informed decisions. Increase technology training and use as an educational tool to prepare students for the future. Train teachers to effectively use data in the classroom.	Improve training and teacher use of technology to improve instruction. Improve infrastructure, access, and tools. Use all of the above to collect and analyze data to drive instruction.
