Mission Statement as of May 2013

Kanoon will provide a rigorous academic and affective foundation that includes learning opportunities in English and Spanish which will address the needs, strengths and talents of all Kanoon students ensuring the pathway to college and career readiness in a global society.

School Priorities as of May 2013

Description	Rationale
Develop and implement focused mini-lessons with clear objectives towards a workshop model in the ELA, Writing and content area.	Post Learning cycle II data results indicated that 50% of students were able to clearly state the teaching point. The data showed most of our students were on the cusp of the next benchmark and the need to focus on non fiction text. Independent reading and writing time need to increase.
Unpack CCSS and create performance assessments and plan units that reflect the implementation of the CCSS.	Teachers understand and apply CCSS to design performance assesments, units, and effective lessons to explicitly target clear learning objectives for all students.
Implement English Language Development for ELL students	ELD will ensure greater proficiency of the English language. ISAT and Scantron results show that vocabulary and word knowledge is an area of weakness.
