Mission Statement as of May 2013

Our mission is to provide an academic program in a caring and supportive learning environment emphasizing, reading, mathematics, and world language (Spanish) tailored to the needs of our students. We accept the responsibility to teach all students including Pre-School and students with special needs and to provide, promote and maintain a climate that is conducive to ensuring that all students attain their maximum academic potential.

School Priorities as of May 2013

Description	Rationale
Provide and discuss the attendance policy with parents, staff and students; establish a caring climate in which every student feels close to one supportive adult at Leland resulting in increased attendance; the attendance committee will continue to meet twice a month to discuss specific attendance issues;	By providing attendance information to parents, students, and staff; by keeping all informed about the importance of attendance and creating a caring climate we will see an improvement in attendance;
Teachers will deliver Common Core aligned literacy instruction supported by high quality text resulting in increased assessment data for all students at Leland;	We have a need to implement a rigorous literacy curriculum as we need to increase the number of students in all grades meeting and exceed in the area literacy to 95%;
Teachers will deliver instruction aligned to common core mathematical practices as well as math instruction supported by real world problem solving resulting in increased assessment data for all students at Leland;	We have a need to implement a rigorous mathematical curriculum as indicated by current data (we need) to increase the number of students in all grades meeting and exceeding in mathematics for all grades;
