Mission Statement as of May 2013

Little Village Academy is committed to providing a rigorous and integrated instructional program that is differentiated to meet the academic and social /emotional needs of our students. The staff, students, parents and community will work collaboratively to equip each student to pursue post secondary education.

School Priorities as of May 2013

Description	Rationale
Teachers will design Common Core State Standards units using principles of Universal Backwards Design and Universal Design for Learning focused with complex non-fiction and informational text.	We scored a "2" in "Instruction" on the SEF. We have a need to implement a rigorous literacy curriculum. Our SY2011 data indicates 49% - 63% of our students are making targeted growth in Reading and Math. Our composite score in exceeding state standards in Reading and Math is 11%.
Teachers will deliver Common Core State Standards with the focus on guided instruction, Depth of Knowledge-questioning and word study.	We scored a "2" in "Instruction" on the SEF. We need to clearly communicate with students the CCSS objective, using a combination of scaffolding and high questioning techniques that promote student higher and strategic levels of thinking and understanding.
Establish a systematic structure that will allow teachers the opportunity to closely analyze NWEA and TRC for student targeted growth. Teachers will select an assessment tool that will inform them on how to adjust their teaching practices with the appropriate interventions/acceleration to meet the individual needs of Tier I, II, and III students.	We scored a "2" on the SEF "Instructional Leadership monitoring and adjusting" and "Core Instruction assessment" section. We scored a "2" in "Intervention" SEF indicates a systematic approach to RtI and determining the list of students in need of academic interventions. Interventions implemented by all certified teachers and closely monitored by ILT, LC, BLC, teacher teams, or individual teachers so that adjustments can be made at least every 6 weeks.
