Mission Statement as of May 2013

Northwest Middle School, through collaboration between staff, parents and community members, will provide a safe and positive learning environment. We will provide a challenging and authentic learning experience that is tailored to each child's individual needs and promotes academic, social and emotional growth. We will equip students with the skills and knowledge necessary to pursue future pathways that will prepare all students to be college and career ready.

School Priorities as of May 2013

Description	Rationale
Provide reading and mathematics intervention focusing on students identified by the Fall universal screeners.	25% of students, across grade levels, are performing at grade level in reading and 29% of students in mathematics benchmark assessments. By creating individualized interventions for all students we will ensure improvements in reading and math.
Increase the quality and rigor of instruction towards CCSS across all content areas and grade levels, with growth measured through teacher created assessment.	The need to Improve the quality of assessments is being determined by the move to CCSS which will support upcoming instruction to improve student outcomes.
We will establish a school-wide culture and climate that will equip students with skills and knowledge necessary to pursue high school, college and career options.	CCSS is aimed to prepare students for college and future careers and we will provide our students with early and regular access to information about high school options and adhere to the rigorous CCSS.
