Mission Statement as of May 2013

Josefa Ortiz de Dominguez School provides an inclusive Early Childhood Environment in which individuals become literate, critical thinkers through a rigorous instructional program.

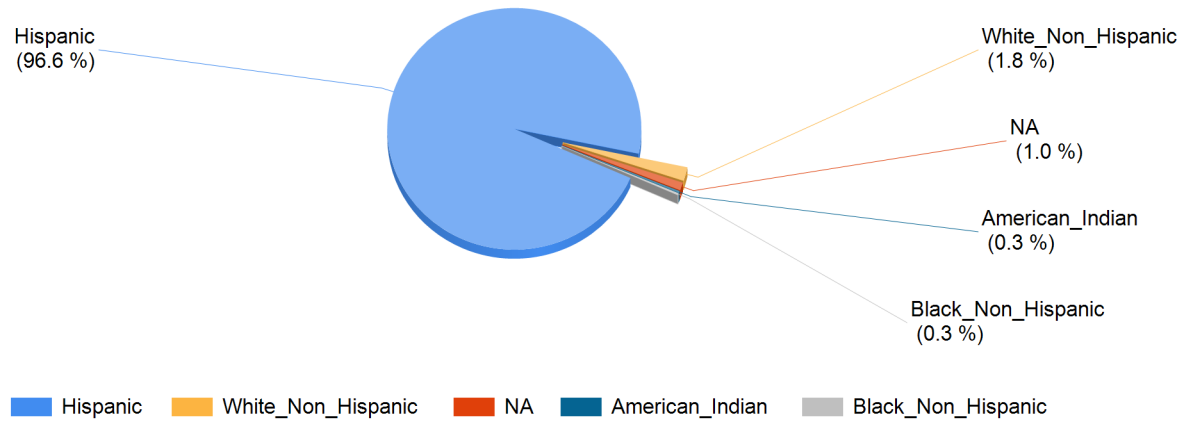

School Priorities as of May 2013

Description	Rationale
Next year, the focus will be on each grade level designing and implementing rigorous units in literacy that are aligned to the CCSS standards to all students, including, those with disabilities and ELLs.	In order to increase the number of students meeting or exceeding the reading grade level according to TRC, we need to implement rigorous, integrated literacy units.
Implement mini-lessons consistently across grade levels focusing on content, delivery, and clarity.	We scored ourselves a "2" in "Instruction" and "Whole Staff Professional Development" and "3" on "Grade Level/Course Team". Teachers already meet routinely, but we would like to devise a plan that includes more focused collaboration particularly around CCSS.
1. Teachers will provide explicit English Language Development instruction across all grade level, and monitoring students' progress throughout the academic school year.	In order to increase the number of students meeting or exceeding 3rd grade standardized assessments by increasing their word knowledge and comprehension skills.

Programs & Services

Advanced Placement Courses	No
