**Mission Statement as of May 2013**

We are committed to be a neighborhood school that celebrates diversity, meets the needs of all students through differentiated instruction, and maintains high expectations for learning and performance.

**School Priorities as of May 2013**

Description	Rationale
Ensure all students are provided rigorous curriculum and materials aligned with Common Core State Standards.	We need to implement rigorous instruction aligned with Common Core State Standards as currently less than 70% of students are meeting interim growth targets in math and reading.
Provide targeted, differentiated instruction to all students in all subject areas through multiple structures and strategies.	Classroom observation and instructional rounds reveal that differentiation for diverse learner needs is a challenge for teachers across grade levels and subject areas.
Increase teacher capacity to deliver quality instruction and assessment to foster higher expectations and higher performance for students.	Classroom observation and assessments (ISAT shows 22% in exceeds, Explore shows 25% proficiency in reading and 35% proficiency in math) show that rigorous instruction must occur at all grade levels and subject areas in order to support our diverse learning population.
