Mission Statement as of May 2013

Pulaski International provides a culture of intellectual rigor, civic consciousness, and holistic growth through the International Baccalaureate Programme while embracing the mother tongue and fostering second language acquisition. Our commitment to student learning is driven by agreed upon reflective data informed practices and targeted professional development ensuring college and career readiness.

School Priorities as of May 2013

Description	Rationale
To further develop and implement the Pulaski framework for school improvement by utilizing outcomes and assessments grounded in the common core, forging horizontal and vertical Common Core Curricular alignment, and by implementing researched based instructional strategies that move students to expected outcomes.	Pulaski International continues to focus on the learning needs of all students by bringing the importance of rigorous Common Core learning outcomes, curriculum embedded formative assessments and data informed decision making to teaching practices.
To move all students to expected Common Core learning outcomes by providing teaching and learning that is grounded in the International Baccalaureate Primary Years Program (IBPYP).	Pulaski International is currently an IBPYP Candidate school and is scheduled to apply for Authorization in Spring 2013. The process for implementing IB increases collaboration, curriculum embedded assessments, data informed instruction, student inquiry and increased student achievement.
To move all students to expected Common Core learning outcomes by providing teaching and learning that is grounded in the International Baccalaureate Middle Years Program (IBMYP).	Pulaski International applied to be an IBMYP Candidate school in the Spring 2012 and as a result is involved in the implementation of the IBMYP. The process for implementing IB increases collaboration, curriculum embedded assessments, data informed instruction, student inquiry and increased student achievement.
