Mission Statement as of May 2013

The mission of Sauganash School is to provide a high quality educational program that meets the academic needs of our students through an integrated curriculum, differentiated instruction, and the use of technology. We are committed to meeting the academic, social, emotional, and physical needs of our students. We are dedicated to fostering a positive school climate that enables all students' intellectual growth to maximize their potential and prepare them for college and career path readiness.

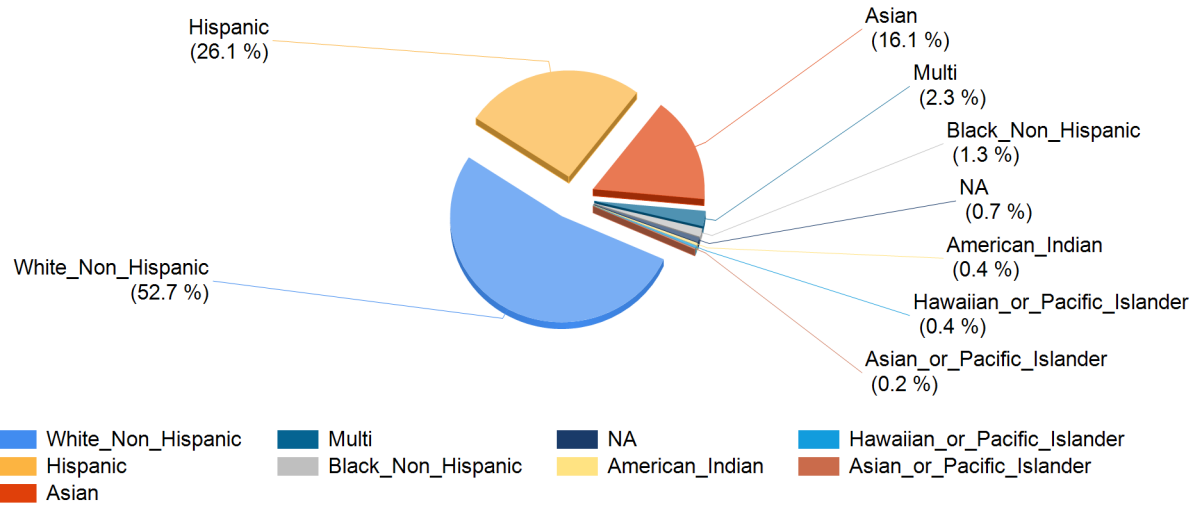

School Priorities as of May 2013

Description	Rationale
Staff will align Common Core literacy standards supported by high quality text and incorporating rigorous curriculum with fidelity.	We need to implement a more rigorous instructional curriculum and keep the student growth rate to meet a 3% improvement goal at the end of school year SY13 and SY14.
Staff will incorporate math, science, and technology with high quality Common Core aligned curriculum.	Incorporating the STEM philosophy will provide challenges while recognizing each students' learning uniqueness and holding all students to high expectations to meet a 3% growth of improvement.
