**Mission Statement as of May 2013**

Tonti School will establish a partnership between parents, students, teachers, and community members. Together we will provide a safe and nurturing environment that fosters the development of life-long learners who are self-motivated, inquisitive, creative, ethical, and responsible College and Career Ready citizens.

Tonti School's vision is to promote academic excellence, self-confidence, multi-cultural awareness and team building. Through the use of data analysis, collaboration, and a rigorous curriculum enhanced by the arts and sciences, students will leave Tonti prepared to seek and take advantage of the opportunities available to them in their academic lives and beyond.

**School Priorities as of May 2013**

Description	Rationale
Tonti School students will be provided with rigorous reading instruction that will help them exceed in their grade level and be college and career ready.	We will increase achievement in reading through the use of a balanced literacy program including complex text and units of study aligned to the Common Core standards, guided reading, differentiated instruction, Writer's Workshop, and Performance Assessments developed that will guide our instruction.
Tonti School students will be provided with rigorous math and science instruction that will help them exceed in their grade level and be college and career ready.	Increase achievement in Math through the use of the Everyday Mathematics curriculum supplemented with Common Core aligned materials, manipulatives, extended response Math Journals, and technology.
Tonti School students will be provided with opportunities to develop their technological and artistic skills to enable them to become competitive and self confident individuals.	Increase the development of students' interests and skills by providing opportunities for participation in academic competitions as well as sports and art-related activities.
Tonti School will engage parents and community through a variety of opportunities that will help them develop important skills, be involved in their children's education, and contribute to the improvement of our school's positive and welcoming atmosphere.	Strengthen parents' ability to support education in the home by providing opportunities to participate in school activities that enhance their skills and understanding of school expectations.
Tonti School students will be provided with opportunities to develop physical, social and emotional health in order to enable them to become responsible, ethical citizens.	Increase the students awareness of the importance of health and wellness to perform well in all aspects of their academic life.
