Mission Statement as of May 2013

Our mission is to prepare students to be academically competitive, socially conscious, technologically literate, and effective communicators. We will achieve this mission by using an interdisciplinary approach with an emphasis on mathematics and science. As a learning community, we will strive for excellence and to prepare all of our students to be college and career ready.

School Priorities as of May 2013

Description	Rationale
Provide guided math instruction to students identified on beginning of year screeners and monitor progress.	Our spring Scantron data shows that 45% of our students are meeting the standards in math. Specifically, spring Scantron data shows that our students need interventions in numbers & operation and algebra.
Teachers will effectively use PBIS as part of a school wide positive behavior support model.	With a high rate of office referrals due to excessive misconducts in the lunchroom and specific classrooms. We need to implement the PBIS consistently.
Provide guided reading instruction to students identified on beginning of year screeners and monitor progress.	Our spring Scantron data shows that 32% of our students are meeting the standards in reading. Specifically, spring Scantron data shows that additional interventions are needed in early literacy (independent, strategic, fluent, reading).
