Webster's teachers, administration, staff, parents and community are united in their efforts to provide a safe learning environment that encourages students inquiry, risk-taking and literacy enhancement that will assure our children are college bound life-long learners.

School Priorities as of May 2013

Description	Rationale
Familiarizing and embedding Common Core Standards within the curriculum specifically in Reading, Math and Science	To look at where we are now and assure that all students are given the opportunity to broaden their sense of knowledge, and are able to be competitive in order to achieve college readiness.
Use of assessments data to drive instruction and create individualize action plans to promote student growth and achievement in Reading, Math and Science	Based on ISAT, Scantron, and Area Assessment results students are not meeting target goals because data is not being used effectively to drive student needs for achievement. Goal is to use information gathered through other resources to meet exceed. Use all areas of assessments to achieve learning goals.
To utilize leadership and data team more effectively through the use of professional development with staff to establish goals and gain a transparent understanding of those goals	Through the use of effective professional development teachers will gain value knowledge of how to achieve the school goals through instruction, and professional growth.
