American Evaluation Association Marcia Guttentag Promising New Evaluator Award, presented for evaluation work done in the first five years after completing a graduate degree (2013)

ARK of St. Sabina Dream Maker Award, for evaluation and program development work in youth development, presented 20th anniversary gala (2013)

Graduate and Professional Student Association Research Grant Award, for innovative dissertation research (2007)

American Evaluation Association Type II Award, for a presentation on culturally responsive evaluation (2007)

STEP-UP Award, from Arizona State University for high academic achievement (2003)

RESEARCH/PROGRAM DEVELOPMENT AND EVALUATION

Jan 2013-Present | Founder/CEO and Evaluation Specialist | Become, Inc. | Chicago, IL

Responsibilities as CEO include designing organizational initiatives along with building organizational infrastructure and implementing training modules on cultural competence, social and emotional intelligence, wellness, and leadership. Accountable for developing and implementing organizational strategies and community initiatives, establishing partnerships, managing projects, developing protocols, manuals, and policies for the organization along with providing culturally responsive program development, evaluation and capacity building services to organizations serving marginalized communities. Established 16 organizational partnerships and an organizational presence in 3 communities in Chicago. Supplementary roles include conducting and managing evaluations, recruiting, training, and supervising interns and volunteers, and composing manuscripts for publication. Recruited over 30 volunteers and interns.

Jan 2010-Dec 2012 | Co-Founder/President and Evaluation Specialist | The HELP Institute, Inc., | Chicago, IL

Responsibilities as President included designing organizational initiatives, conducting and providing program development, evaluation and capacity building services to organizations, recruiting and managing volunteers and interns. Recruited over 30 volunteers and interns. Developed a comprehensive evaluation model designed to bolster civic engagement, infuse the culture of the community in programming, amplify the impact of programming, and move towards social justice.

Mar 2011-July 2012 | Director of Research | Community Mental Health Council, Inc. | Chicago, IL

Successfully developed the research division and constructed a strategic research plan for furthering the division, coordinated a drug trial, conducted program evaluation, developed grant proposals, recruited interns/volunteers, and supervised interns. Secured \$187,000 in grant funding.

Dec 2008-Dec 2009 | Research, Evaluation, and Education Consultant | Center for African American Health | Phoenix, AZ

Led the programming committee that developed the programming division and chose evidence-based programs for implementation. Provided program development and evaluation consultation. Contributed to the strategic plan of the organization. Assisted in grant writing.

Jan 2008-Aug 2008 | Community Engagement/Outreach Core Coordinator/Graduate Assistant | Southwest Interdisciplinary Research Center at Arizona State University | Phoenix, AZ

Designed a community health website for the health promotion and education of communities of color around substance abuse, mental health, and HIV/AIDS. Conducted a health needs assessment with communities of color in the Phoenix metropolitan area. Convened community leaders, conducted research on health disparities, and developed manuscripts for publication.

Jan 2008-Aug 2008 | Program Evaluator | Phoenix Indian Center | Phoenix, AZ

Implemented a statewide mixed methods needs assessment for the prevention of underage drinking and illicit drug use for urban Native American youth. Completed a process evaluation of the development of urban and statewide coalitions. Contributed to the development and sustainability of statewide and urban coalitions and the writing and dissemination of reports.

Aug 2005-May 2007 | Research Assistant | Arizona State University | Tempe, AZ

Responsibilities as Research Assistant included data collection and organization. Collected qualitative data for a culturally responsive program evaluation of three schools. Completed school profiles and assisted in coordinating advisory board meetings.

Jan 2007-Jan 2008 | Research Assistant | Arizona State University | Tempe, AZ

Led the design and implementation of a formative evaluation of a National Science Foundation-funded internet-based resiliency skills training program for women in engineering and sciences graduate programs. Analyzed quantitative and qualitative data. Contributed to manuscripts for publication.

Jun 2005-Sept 2006 | Monitoring and Evaluation Consultant | Support for International Change Tanzania, East Africa

Designed and guided the implementation of a mixed methods program evaluation of an HIV-prevention program for northern Tanzania. Worked internationally in collecting data and ascertaining the program experience of participants and volunteers. Conducted a cultural and contextual assessment. Assisted the organization in enhancing programming, basing programming on research-based and culturally integrative practices, and strengthened the organization-community connection. Enhanced the evaluation capacity of the organization with staff more knowledgeable and experienced in quantitative and qualitative data collection.

Aug 2003-Jul 2004 | Research Assistant | Arizona State University | Tempe, AZ

Recruited participants to complete instruments on self-esteem, mattering, and social belonging. Entered and analyzed data using SPSS. Assisted in writing a manuscript on the project, which focused on self-esteem, mattering, and social belonging.

CLINICAL EXPERIENCE

Sep 2008-Sep 2009 | Pre-doctoral Intern | Village of Hoffman Estates Health and Human Services Hoffman Estates, IL

Provided individual, couple, and family therapy and supervised a clinical intern. Oversaw the evaluations of two youth support programs designed to enhance young girls' self-esteem. Information from this evaluation informed program improvement and increased the number of youth served effectively by 50%. Developed a domestic violence program and infrastructure, including design, assessments, and partnerships, for the village, which led to the inclusion of domestic violence screening in every intake, a partnership with a reputable local domestic violence agency, staff completing domestic violence training, and additional clients. Conducted community outreach projects, including co-facilitating a group with fifth and sixth grade boys and marketing health programs. Created and conducted a heart health workshop focused on holistic health for community. Received specialized training in public speaking, community psychology, and career counseling.

Aug 2007-Dec 2008 | Supervision Practicum Student | Arizona State University, Tempe, AZ

Supervised a counselor-in-training providing individual therapy.

Sept 2007-Aug 2008 | Practicum Student | WellCare Foundation, Phoenix, AZ

Provided free individual therapy to single mothers and their children who could not afford health insurance.

Aug 2006-May 2007 | Practicum Student | Elba House | Phoenix, AZ

Provided individual therapy to ethnically diverse women suffering from a chemical dependence. Facilitated therapy groups on anger management, life skills, and in-house recovery. Conducted an assessment and provided consultation on organizational cultural competence.

Aug 2005-May 2007 | Behavioral Health Therapist and Clinical Liaison | Ebony House, Inc. | Phoenix, AZ

Provided therapy to low-income children and families of color. Facilitated child/family team meetings, including extended family, school personnel, case managers, and/or family support partners. Collaborated with schools, community agencies, and case managers in helping clients utilize additional social, educational, and recreational services. Conducted comprehensive clinical assessments with children and families. Provided consultation to parents, school personnel, case managers, and extended family members in helping clients attain therapeutic goals and to Ebony House on their cultural climate.

Jan 2006-May 2006 | Group Facilitator | Prevention Research Center at Arizona State University | Tempe, AZ

Co-facilitated a parenting skills class for divorced African American mothers. Contributed to the cultural adaptation of an evidence-based prevention program for single mothers.

Sept 2005-Nov 2005 | Therapeutic Lead | Ebony House, Inc. | Phoenix, AZ

Provided therapeutic direction to a crisis intervention team on the Katrina Relief Project. Provided crisis intervention counseling and case management services to individual and family Hurricane Katrina survivors.

Jun 2004-May 2005 | Practicum Student | Arizona State University, Tempe, AZ

Provided therapy for community residents dealing with problems, including depression, anxiety, and bereavement.

GENERAL EMPLOYMENT

Jan 2014-Present | Adjunct Professor | The Chicago School of Professional Psychology | Chicago, IL

Teaching courses on Diversity to Masters students in Counseling Psychology and Program Evaluation to doctoral students in Counseling Psychology and Supervision.

May 2011-Present | Center for the Application of Prevention Associate | Education Development Center | USA

Conducting a national cultural competence organizational assessment. Developed a three-module, comprehensive cultural competence training curriculum. Conducting trainings on cultural competence, sustainable coalitions, logic models and SMART goals nationally.

Mar 2010-Dec 2012 | Contract Editor | Huntsville, AL; Chicago, IL

Edited manuscript chapters for two edited books on prevention in public health and mental health.

Aug 2007-Mar 2008 | Graduate Assistant | Prevention Research Center at Arizona State University | Tempe, AZ

Coordinated data collection for parent information program providers on a project that compared social marketing and recruitment strategies for prevention programs.

Aug 2006-Dec 2006 | Instructor | Arizona State University | Tempe, AZ

Taught Educational Psychology with approximately 25 students and received high scores and feedback from evaluations from students.

Aug 2004-May 2006 | Classroom Manager and Consultant | Pappas Elementary School | Tempe, AZ

Implemented a nutrition education program for elementary school students at a school for homeless youth. Advised the project leader on further program development.

Aug 2003-May 2005 | Instructor | Arizona State University, Tempe, AZ

Taught 4 classes in Career Development with approximately 25 students in each class. Received high scores and positive feedback from student evaluations. Facilitated undergraduate students in their career development process, especially in exploring values, skills, and goals. Administered and interpreted the Strong Interest Inventory and Myers Briggs Type Indicator. Reviewed assessment results with students and provided feedback. Instructed students on building resumes and enhancing interviewing skills.

SERVICE/VOLUNTEER EXPERIENCE

Community

Sep 2012-Present | Member of the African American Advisory Board | Healthy Schools Campaign | Chicago, IL

Charges of the board include advising the organization on projects and initiatives in and with the African American community.

Aug 2009-Nov 2013 | Member of the Board of Directors | Lotus Rising | Chicago, IL

Co-developed and led the implementation of a cultural competence training for attorneys, mental health professionals, and financial planners. Provided guidance in nonprofit governance.

Jan 2009-2011 | American Psychological Association's Behavioral Social Science Volunteer Behavioral Social Science Volunteer Program | Chicago, IL

Responsibilities were to assist community-based organizations in the implementation, adaptation, monitoring, and evaluation of Center for Disease Control and Prevention funded Diffusion of Evidenced-Based Interventions (DEBI) for HIV prevention. Completed training in program implementation, monitoring, and evaluation of DEBIs.

Sep 2008- Sep 2009 | Prevention and Wellness Committee Member | Village of Hoffman Estates Department of Health and Human Services | Hoffman Estates, IL

Charges of the committee included developing and executing health initiatives for the Village Municipal Government employees. Wrote and disseminated articles on health-related topics. Co-designed health programs, including wellness competitions and exercise challenges.

Jan 2007-May 2007 | Citizenship Class Instructor |Arizona Refugee Community Center | Glendale, AZ

Guided Afghan and Iraqi refugees in the naturalization process. Taught refugees American history for the citizenship exam. Collected qualitative data on the lives of refugees. Wrote and submitted a policy brief on refugees' daily struggles to the State of Arizona.

May 2005-Jun 2005 | Prevention teacher | Support for International Change | Tanzania, East Africa

Implemented an HIV/AIDS-prevention program in primary schools and community spaces in rural Tanzania. Taught youth and adults HIV-prevention methods.

Mar 2001-May 2003 | Crisis Intervention Counselor and Trainer | Listening Ear | East Lansing, MI

Provided crisis counseling to community residents facing with crises including rape, suicide, and depression. Trained volunteers in crisis intervention counseling.

University

Jan 2012-Present | Community Advisory Board Member | Department of Public Health at DePaul University | Chicago, IL

Responsibilities include advising the Department on community needs and workings.

Aug 2005-Aug 2006 | Student Representative | Committee on Affirmative Action in the College of Education at Arizona State University | Tempe, AZ

Responsibilities included reviewing and addressing complaints related to conflicts with group affiliation (i.e., race, ethnicity, gender, sexual orientation, religion, SES).

Aug 2005-Dec 2005 | Group Facilitator | Arizona State University | Tempe, AZ

Facilitated a diversity group for counselors-in-training, helping to move counselors along the continuum of multicultural counseling competence and develop deeper self-awareness of cultural influences and affiliations.

Oct 2004-Nov 2004 | Coordinator of Gift Certificate Drive | Arizona State University, Tempe, AZ

Successfully coordinated and completed a gift certificate drive for homeless families. Distributed donated gift certificates to a school for homeless children.

Feb 2004 | Tour Coordinator | Arizona State University | Tempe, AZ

Coordinated and led campus tours for incoming Counseling Psychology doctoral students.

Dec 2002-Dec 2003 | Vice President of Community Service | Michigan State University | East Lansing, MI

Designed, and/or coordinated community service events, including services for Habitat for Humanity, the Ronald McDonald House, and reading to youth. Organized volunteers for community service events.

Professional Association

Nov 2011-Present | TIG Co-Chair, TIG Program Co-Chair, Task Force Member | American Evaluation Association

Responsibilities on the American Evaluation Association Public Statement on Cultural Competence in Evaluation Working Group include strategizing and implementing ideas on disseminating the message and contents of the Statement. Successfully coordinated four aea365 tip weeks. Serving on the training module subcommittee, charged with developing brief modules on the Statement to be integrated into classrooms and trainings (Nov 2011-Present).

Responsibilities for the Multiethnic Issues in Evaluation Topical Interest Group (TIG) Co-Chair include overseeing the workings of the TIG and facilitating annual meetings (Oct 2013-Present).

Responsibilities for TIG Program Co-Chair included recruiting proposals, coordinating the review process, recruiting volunteer reviewers, reporting to the TIG on program numbers. Successfully co-designed and implemented a program agenda targeting

proposals on quantitative and practical application of cultural competence. Facilitated co-sponsorship of sessions (from Oct 2012-Oct 2013).

Charges of the Connecting Evaluation-related Disciplines Task Force include developing a list and facilitating connections with other associations with related missions and/or methods as the American Evaluation Association for the purposes of bettering evaluation practice and collective learning (Nov 2013-Present).

Sep 2011-Sep 2013 | Strategic Planning Committee Co-Chair | Chicagoland Evaluation Association | Chicago, IL

Co-conducted the strategic planning process for a 3-year strategic plan for the Chicagoland Evaluation Association. Completed the plan, collecting ideas, needs, and preferences of the membership via focus groups and online surveys.
