ART IN MOTION CHARTER SCHOOL

Art In Motion (AIM) is a performing arts charter high school opening in 2018 is designed to serve 1200 students in grades 7-12 and located in the Grand Crossings neighborhood on the Southside of Chicago.

a school design partnership through:

8:00 Community Building

students will work together to build community within the Art In Motion campus through social and emotional learning

8:30 Humanities

students will experience a next generation model of reading, writing and social studies with their teacher enabled by a personalized learning digital platform

10:30 Science, Tech, Engineering & Math

students will experience a next generation model of science, math and engineering with their teacher enabled by a personalized learning digital platform

12:30 Arts Pathway

students will choose, design and engage in an arts expedition with support from their teacher through the performing arts pathway framework in music, visual arts, dance, media arts or theatre.

2:30 Wellness

students will go to the fitness center to exercise and focus on the mind and body connection guided by a wellness expert. Students will have access to healthy meal options in the cafe

4:00 Community Arts

as a graduation requirement Art In Motion students will design arts based community projects to build the Grand Crossings community
