# WHY GRAND CROSSING?

- New Life is dedicated and committed to the Grand Crossing Community and has been a staple in the community for the past seven years.
- Currently, New Life: Has renovated areas within Betty Shabazz, Avalon Park, and Hirsch High Schools. Has purchased and installed computers in Avalon Park and Hirsch High schools.
- Has fed, on average, 75 families per week through the food pantry.
- Is leading Violence Prevention Programs, as well as counseling support for students at Avalon Park. \
- Is developing a daycare and early learning center for children from ages 6 months to 5 years, total cost \$5.4 mil.
- Is developing a \$26 mil property to serve, on average 20,000+ members yearly.

# MISSION: ART IN MOTION CHARTER SCHOOL

PENDING APPROVAL TO OPEN IN FALL 2018

The mission of Art In Motion is to provide every student—regardless of their zip code—an opportunity to achieve their fullest academic and artistic potential through a personalized and performing arts learning model that is driven by challenging academic and arts standards. Our community will unite to empower the next generation with the life skills needed to reach their fullest potential and thrive in our global society.

# ABOUT: ART IN MOTION CHARTER SCHOOL

PENDING APPROVAL TO OPEN IN FALL 2018

Art In Motion, a tuition-free public charter school, is anticipated to open for the 2018 school year, initially serving 7th and 8th grades (eventually to serve grades 7-12).

Art In Motion will have a Performing Arts Curriculum focus, inspired by top performing arts schools across the country; Baltimore School of Performing Arts, Chi Arts, Frank Sinatra, Laguardia.

Art In Motion will have a Next Generation Learning Model that uses the most current technology to support student learning.

# A DAY IN THE LIFE: ART IN MOTION STUDENT

PENDING APPROVAL TO OPEN IN FALL 2018

ART  
IN MOTION

A DAY IN THE  
LIFE OF A  
STUDENT

## 8:00 Community Building

students will work together to build community within the Art In Motion campus through social and emotional learning

## 8:30 Humanities

students will experience a next generation model of reading, writing and social studies with their teacher enabled by a personalized learning digital platform

## 10:30 Science, Tech, Engineering & Math

students will experience a next generation model of science, math and engineering with their teacher enabled by a personalized learning digital platform

## 12:30 Arts Pathway

students will choose, design and engage in an arts expedition with support from their teacher through the performing arts pathway framework in music, visual arts, dance, media arts or theatre.

## 2:30 Wellness

students will go to the fitness center to exercise and focus on the mind and body connection guided by a wellness expert. Students will have access to healthy meal options in the cafe

## 4:00 Community Arts

as a graduation requirement Art In Motion students will design arts based community projects to build the Grand Crossings community

### PERSONALIZED ARTS PATHWAY

the arts will be used as a medium for students to develop their way finding abilities to design their future in an arts college or career

### NEXT GENERATION LEARNING

students will experience flexible learning environments enabled by state of the art technology and new age communication media

### INNOVATIVE PARTNERSHIPS

multiple industries will partner together to provide resources and opportunity to build our learning community

## PERSONALIZED ARTS PATHWAY

Way finding is the cognitive process and experience of locating, following and discovering a route through and to a destination. Students will ultimately use their way finding abilities to design their path into an arts college or career.

Students at Art In Motion will journey through arts expeditions in multiple disciplines, processes and levels of study. As a student advances through grade levels they narrow their focus in preparation for graduation.
