A DAY IN THE  
LIFE OF A  
STUDENT

# WHAT IS YOUR COLLEGE OR CAREER PATH?

ART  
IN   
MOTION

### **8:00 Community Building**

students will work together to build community within the Art In Motion campus through social and emotional learning

### **8:30 Humanities**

students will experience a next generation model of reading, writing and social studies with their teacher enabled by a personalized learning digital platform

### **10:30 Science, Tech, Engineering & Math**

students will experience a next generation model of science, math and engineering with their teacher enabled by a personalized learning digital platform

### **12:30 Arts Pathway**

students will choose, design and engage in an arts expedition with support from their teacher through the performing arts pathway framework in music, visual arts, dance, media arts or theatre.

### **2:30 Wellness**

students will go to the fitness center to exercise and focus on the mind and body connection guided by a wellness expert. Students will have access to healthy meal options in the cafe

### **4:00 Community Arts**

as a graduation requirement Art In Motion students will design arts based community projects to build the Grand Crossings community

---

## ART IN MOTION CHARTER SCHOOL

Art In Motion (AIM) is a performing arts charter high school seeking approval to potentially open in 2018 and hopes to serve 1200 students in grades 7-12 in the Grand Crossings neighborhood on the Southside of Chicago.
