Hi Claudia

I hope your summer is going well!

I'm just looping back on the July cohort for the charter school start up grant application. I had submitted a request to apply for Art In Motion charter school. I want to make sure I don't miss anything. Please let me know any next steps.

Thanks so much for your time,
Amanda Rychel

Amanda,

We did receive your letter of intent. The RFP has not been released yet. We are targeting mid-July. Upon release, an announcement will be made in the Superintendents Weekly Newsletter and published on our Charter School web page: <https://www.isbe.net/Pages/Charter-Schools.aspx>.

Prior to the RFP release, you will receive an email from ISBE to create an IWAS account in order to access the RFP. Once that account is opened, our systems area will grant access to the specific program for the RFP.

The past RFP's are available on our Charter Schools web page. I would suggest reading through the RFP from Cohort II since that version would be almost identical to the version release in July. You can review information about the grant, and see the types of information you will need to provide for the application.

If you have any questions about the RFP after you have reviewed it, please feel free to reach out to our team at charter@isbe.net.

Thank you for your interest.

Dave
