MEASURE SCORES

- Scores are calculated by aggregating the response items in that measure, giving more weight to those reponse items that are harder to agree with.
- Because schools are compared to other schools in the district, performance may be labeled "weak" despite having a majority of positive responses to individual items.

RESPONSE RATE

My School's Response Rate 43%

- Results not reported for schools with a response rate less than 30%
- Results not reported for subgroups of less than 10; however, subgroup responses are included in school's aggregate ("All") results.
- · Response rate estimated by dividing the school's April 2014 enrollment by total number of children parents report having at the school.
