- Scores are calculated by aggregating the response items in that measure, giving more weight to those reponse items that are harder to agree with.
- Because schools are compared to other schools in the district, performance may be labeled "weak" despite having a majority of positive responses to individual items.

RESPONSE RATE

My School's Response Rate 49%

- Results not reported for schools with a response rate less than 30%.
- Response rate estimated by dividing the school's April 2016 enrollment by total number of children parents report having at the school.
