2013 Elementary School Performance Policy Legend

Definitions

Current Status	For a metric, this is the school's average score for the two previous years. If the school does not have two years of data, one year will be used.
Trend	For a metric, this is the difference between the school's most recent score and the average of the three prior years. If the school does not have three prior years of data, two years will be used.
Ceiling	If the school's most recent score is at or above the ceiling, the school receives all Trend points for that metric, regardless of Trend score.
Value-Added	This is the difference between the average growth of students in the school (as measured by ISAT scale score points) and the growth of similar students District-wide. This comparison is made using a regression methodology that controls for each student's grade level, prior ISAT performance, and student demographics.
Adjusted Attendance	For the Performance Policy, attendance is adjusted for students with medically fragile conditions and early graduation for 8th and 12th grade students. This adjustment is only made if it results in a positive adjustment. This does not replace the school's official attendance rate and may not match the attendance rate reported elsewhere.
Minimum Performance Standard	Elementary schools with an ISAT Composite score below 24.7% or high schools with a PSAE score below 10% are automatically placed on probation, regardless of Level achieved.

If percent of points is:	School receives:
71% or more	Level 1 (Excellent Standing)
50% to 70.9%	Level 2 (Good Standing)
Less than 50%	Level 3 (Probation*)

*Notes on Probation:

Schools that have been on probation for 2 or more consecutive years must achieve a Level 1 or Level 2 rating for 2 consecutive years to be removed from probation.

Schools where the Board has taken action under Section 8.3 of the Illinois School Code are not eligible to be removed from probation until five years after such action was taken or the school makes AYP for two consecutive years, whichever occurs later.

Charter schools do not receive a probation status; charter school accountability is based on the school's agreement with the Board.
