School Quality Rating

This school received a Level 2 rating based on the CPS School Quality Rating Policy (SQRP). More information about what this rating means and how it is calculated is available at cps.edu/sqrp.

Accountability Status: Not Applicable

This school does not receive an official accountability status because its performance measures are determined by its contract with the Chicago Board of Education.

Student Growth

Student Growth measures the change in STAR test scores between two points in time: either fall to spring, winter to spring, or fall to winter depending on available test scores. The growth at this school is average, which means the students at this school generally showed about the same growth as students nationally with the same pretest scores.

Students Making Growth Targets

Students Making Growth Targets is the percent of students who reached the 40th percentile growth on STAR. This school has a moderate number students reaching this level of growth.

School Culture & Climate

This school is "Partially Organized for Improvement" which means that the school's culture and climate has a few strengths, but also has several weaknesses. Results are based on student and teacher responses to the My Voice, My School 5Essentials survey. For more information on this survey and additional measures of school culture and climate, visit cps.5-essentials.org/2015.
