

WebLogic Server Upgrade

Project Summary

Location: Central Office
 Department: Information & Technology Services
 Status: In Process
 Unit Number: 12510

Budget Amount: \$250,000

Budget Year: 2011

Project Start Date: June 2011

Anticipated Completion Date: December 2013

Oracle Financial systems use Oracle's "Internet Application Server" as the application server software. Oracle will be discontinuing this product and requesting clients to migrate to newer technology. The new application server is called Oracle WebLogic Suite. Oracle will be providing the migration path to purchase these new technology licenses with a discounted price.
