

CASTELLANOS

Project Summary

Project Type: Welcoming School Improvement
 Department: Facilities
 Status: Planning
 Unit Number: 22461

Budget Amount: \$1,770,000
 Budget Year: 2013
 Estimated Project Start: April 2013
 Estimated Project Complete: October 2013

Provide an environment that is conducive for learning to students by welcoming them to a building that is warm, safe and dry. Minimal cosmetic repairs will be provided to improve surfaces such as floors, walls, and ceilings. Lunchroom capacity will be expanded to meet the needs of the projected enrollment. The school will have a hard-wired computer lab(s) to support the projected enrollment.
