JOHNSON

Project Summary

Project Type: Welcoming School Improvement

Department: Facilities

Status: Planning Estimated Project Start: April 2013 Unit Number: 26231 Estimated Project Complete: October 2013

Provide an environment that is conducive for learning to students by welcoming them to a building that is warm, safe and dry. Minimal cosmetic repairs will be provided to improve surfaces such as floors, walls, and ceilings. Lunchroom capacity will be expanded to meet the needs of the projected enrollment. The school will have a hard-wired computer lab(s) to support the projected enrollment. Programmatic ADA upgrades will be provided to ensure that students, family members and visitors with disabilities have access to all programs within the school.
