

Common Core Materials

Project Summary

Project Type: Core Literacy Materials

Department: Educational Tools and Technology

Status: Planning

Unit Number: 10840

Budget Amount: \$40,000,000

Budget Year: 2013

Estimated Project Start: June 2013

Estimated Project Complete: September 2013

The selection and purchase of new high-quality Core Instructional Material options for grades K through 8 that are aligned to the new Common Core State Standards (CCSS). For the first time CPS is aiming to have common materials across schools that are aligned to the new standards and ensure access for all children to a rigorous core instructional program, which will provide a clear picture of what students need to learn each year in order to graduate from high school ready to succeed in college and careers.
