Identity Managment Upgrade

Project Summary

Project Type: ITS - Other   **Budget Amount: $500,000**

Department: Information & Technology Services   Budget Year: 2014

Status: Planning   Estimated Project Start: July 2013

Unit Number: 12510   Estimated Project Complete: October 2014

Replace our existing Identity Management solution, Identity Lifecycle Manager, with Forefront Identity Manager. This new system will provide the district with a more robust and supportable user provisioning and entitlement process along with self service functionality. Our existing system will be end of support in 2014.
