

COLLEGE AND CAREER COUNSELING SUITES

Project Summary

Project Type: Interior Renovation

Department: Facilities

Status: Planning

Unit Number:

Budget Amount: \$1,596,860

Budget Year: 2015

Estimated Project Start: July 2014

Estimated Project Complete: September 2015

The intent of this project is to develop dedicated space within 20 high schools that will serve as the hub for all students to engage in career exploration, build college awareness, and apply to and select colleges. These spaces will also facilitate critical college access activities around scholarship and financial aid opportunities. The suites will be specifically designed to further the ultimate goal of raising college acceptance and matriculation rates of students throughout the District.

Details

Typical College Counseling Suite

Scope

The scope of work for this project will include re-purposing one room at approximately 20 different high schools to support the creation of new College Counseling Suites. This will include painting the spaces, providing IT infrastructure to support new technology equipment, and furnishing the spaces with supporting furniture and equipment.
