Goals

Areas of critical need and root cause analysis

[X] By checking this box, I confirm that we have recalled previous data analysis, conducted new data analysis as needed, and indicated 3-5 areas of critical need in our school's CIWP Google sheet for the Area of Critical Need component. We will now move on to the Goals component.;

[X] By checking this box, I confirm that we have completed a root cause analysis for **each** area of critical need and indicated 3-5 root causes in our school's CIWP Google sheet for the Root Cause Analysis component.

Area of Critical Need 1	Structure for continuous improvement
Root Cause 1	Lack of transparent and consistent communication between all stakeholders
Area of Critical Need 2	Curriculum
Root Cause 2	Lack of common curriculum among grade levels in content areas due to lack of structured instructional common planning at the end of the school year. There has been a lack of focus for that time during previous years. Lack of curriculum team in each content area.
Area of Critical Need 3	MTSS
Root Cause 3	No intentional focus due to a lack of MTSS team being assembled and meeting regularly. Lack of knowledge of what MTSS is and how it should function at Phillips. Confusion over whose role it is in the building.
Area of Critical Need 4	Physical and Emotional Safety
Root Cause 4	Certain students may feel that they do not have a say in what happens to them due to the amount of infractions they incur. Incorporating restorative justice into in-school suspension. Open communication with students around why they are not feeling emotionally or physically safe. Making it clear to students where they can go and who they can turn to when not feeling safe.
Area of Critical Need 5	Supportive and Equitable Approaches to Discipline
Root Cause 5	Lack of transparent and consistent protocols that facilitate communication between discipline team and teachers, students, and parents.

ESSA Schoolwide Program

A comprehensive needs assessment of the entire school that is based on the achievement of students relative to state content and achievement standards.

Upon completion of the 2018-2019 school year, 8% of Phillips students were meeting college readiness standards on the PSAT/SAT. This is unacceptable and we need to address this as an entire school community.

ESSA Targeted Assistance Program

Parent Involvement and Schoolwide Programs

I verify that the statement below is correct

Every Student Succeeds Act (ESSA), the reauthorization of the Elementary and Secondary Act of 1965 continues a legislative commitment to parental involvement. Central features of prior reauthorizations, such as school-parent compacts, parent involvement policies, and the parent involvement funding formula remain unaltered. However, the ESSA reauthorization represents a notable shift in the role of parental involvement in the schools. It includes new provisions increasing parental notification requirements, parental selection of educational options, and parental involvement in governance. It envisions parents as informed and empowered decision makers in their children's education.

Parent and Family Plan

Parent and Family Engagement Policy (Complete)

Schools must involve parents and family in the joint development and periodic review and revision of the ESSA, Title I school parental and family engagement plan and policy, and in the process of school review and improvement. Please describe how this will be accomplished.

This will be accomplished at PAC and LSC meetings throughout the year.

The school will hold an annual meeting at a time convenient to parents and families during the first month of school to inform them of the school's participation in ESSA, Title I programs and to explain the Title I requirements and their right to be involved in the Title I programs. The school will also offer a number of additional parental and family engagement meetings, including school PAC meetings, at different times and will invite all parents and key family members of children participating in the ESSA, Title I program to these meetings, and encourage them to attend. Please describe how this will be accomplished. Please list the projected date of your Title I Annual Meeting and your Title I PAC Organizational Meeting

The meeting time and place will be decided upon at the beginning of the school year with all stakeholders having a voice in the decision. The meetings will be held in accordance with the guidelines outlined by Title I and CPS.

At the request of parents and family members, schools will provide opportunities for regular meetings, including the School Parent Advisory Council meetings, for parents and family members to formulate suggestions and to participate, as appropriate, in decisions about the education of their children. Please describe how the school will immediately respond to any such suggestions.

Phillips is always open and flexible to parent concerns. If this is requested, the school will absolutely convene the requested meeting.

Schools will provide parents a report of their child's performance on the State assessment in at least math, language arts and reading. Please describe how this will be accomplished.

PSAT/SAT scores will be shared both electronically through College Board as well as hard copies sent home to parents.

Schools will provide parents timely notice when their child has been assigned to, or taught by, a teacher who is not "highly qualified," as defined in the Title I Final Regulations, for at least four (4) consecutive weeks. Please describe how this will be accomplished.

This is currently not the case at Phillips, but we will provide notice adhering to the policies set forth electronically and by mail.

Schools will assist parents of participating ESSA Title I children in understanding: the state's academic content standards; the state's student academic achievement standards; the state and local academic assessments including alternate assessments; the requirements of Title I, Part A; how to monitor their child's progress; and how to work with educators. Please describe how this will be accomplished.

This opportunity will be shared at PAC and LSC meetings throughout the year.

Schools will provide information, resources, materials and training, including literacy training and technology, as appropriate, to assist parents and family members in working with their children to improve their academic achievement, and to encourage increased parental involvement. Please describe how this will be accomplished.

This information will be provided at PAC and LSC meetings as well as Report Card Pick up.

Schools will educate all staff in the value and utility of contributions by parents and family and in how to reach out to, communicate and work with, parents and family as equal partners in the education of their children and in how to implement and coordinate parent and family programs and build ties with parents and family members. Please describe how this will be accomplished.

This is being planned now for next year as it is one of our three main goals for the CIWP.

Schools will, to the extent feasible and appropriate, coordinate and integrate parent and family programs and activities with Head Start, Reading First, Early Reading First involvement, Even Start, Home Instruction Programs for Preschool Youngsters, the Parents as Teachers Program, public preschool, and other programs, to further encourage and support parents and families in more fully participating in their children's education. Please describe how this will be accomplished.

Any and all pertinent information will be shared with parents at PAC and LSC meetings as well as Report Card Pick up.

Schools will ensure that information related to the school and parent and family programs, meetings, and other activities is sent to parents in understandable and uniform formats, including language. Please describe how this will be accomplished.
