Strategies

Strategy 1

If we do...	Prioritize time for professional development and implementation of learning on questioning and discussion for all teachers in all disciplines including re-implementing learning walks and other whole staff opportunities
Then we see...	Shared experiences and increasing skill and knowledge on implementation of questioning and discussion strategies
which leads to...	More students engaging in authentic discussion in which they initiate and extend the discussion through their own questions and encouraging one another to take part thus resulting in an increase in the number of teachers achieving a ?Distinguished? rating in Component 3b: Questioning and Discussion Techniques.
Budget Description	More shared PD time Identification of effective PD across disciplines A plan to implement PD learning and share with others Renewed teacher buy-in Learning walks or other open door practices

Strategy 3

If we do...	If we begin earlier and differentiate the process of college planning for targeted groups
Then we see...	an increase in supports, opportunities, and active engagement in the college planning process
which leads to...	An increase college enrollment for African American students from 84.2% to 87% for the 2020-21 school year and 91% 2021-22 school year. An increase college enrollment for students with IEPs from 75% to 80% for the 2020-21 school year and 87% for the 2021-22 school year.

Strategy 4

If we do...	revise the AP course approval process, provide a differentiated approach to course selection, and provide targeted supports in AP classes
Then we see...	an increase in AP course enrollment and improvement in learning outcomes for targeted students
which leads to...	An increase in the percentage of AA and Latino males scoring a 3 or better on one AP exam.

ESSA Targeted Assistance Program

Parent Involvement and Schoolwide Programs

☒ I verify that the statement below is correct

Every Student Succeeds Act (ESSA), the reauthorization of the Elementary and Secondary Act of 1965 continues a legislative commitment to parental involvement. Central features of prior reauthorizations, such as school-parent compacts, parent involvement policies, and the parent involvement funding formula remain unaltered. However, the ESSA reauthorization represents a notable shift in the role of parental involvement in the schools. It includes new provisions increasing parental notification requirements, parental selection of educational options, and parental involvement in governance. It envisions parents as informed and empowered decision makers in their children's education.

Parent and Family Plan

Parent and Family Engagement Policy (Not complete)

Schools must involve parents and family in the joint development and periodic review and revision of the ESSA, Title I school parental and family engagement plan and policy, and in the process of school review and improvement. Please describe how this will be accomplished.

(Blank)

The school will hold an annual meeting at a time convenient to parents and families during the first month of school to inform them of the school's participation in ESSA, Title I programs and to explain the Title I requirements and their right to be involved in the Title I programs. The school will also offer a number of additional parental and family engagement meetings, including school PAC meetings, at different times and will invite all parents and key family members of children participating in the ESSA, Title I program to these meetings, and encourage them to attend. Please describe how this will be accomplished. Please list the projected date of your Title I Annual Meeting and your Title I PAC Organizational Meeting

(Blank)

At the request of parents and family members, schools will provide opportunities for regular meetings, including the School Parent Advisory Council meetings, for parents and family members to formulate suggestions and to participate, as appropriate, in decisions about the education of their children. Please describe how the school will immediately respond to any such suggestions.

(Blank)

Schools will provide parents a report of their child's performance on the State assessment in at least math, language arts and reading. Please describe how this will be accomplished.

(Blank)

Schools will provide parents timely notice when their child has been assigned to, or taught by, a teacher who is not "highly qualified," as defined in the Title I Final Regulations, for at least four (4) consecutive weeks. Please describe how this will be accomplished.
