ESSA Schoolwide Program

A comprehensive needs assessment of the entire school that is based on the achievement of students relative to state content and achievement standards.

We utilized parents, teachers, and staff, as well as our parent groups and LSC, to analyze needs.

Schoolwide reform strategies that provide opportunities for all students to meet proficient and advanced levels of academic achievement.

Our goal of focusing on MTSS will address this process.

Schoolwide reform strategies that use methods and instructional strategies based on scientifically-based research that strengthens the core academic program, increases the amount and quality of learning time, and includes strategies to meet the needs of historically underserved populations.

Our goal of focusing on MTSS will address this process.

Schoolwide reform strategies that address the needs of all students in the school, but particularly those students who are low achieving, at risk of not meeting the states academic achievement standards, and/or members of the target population of a program included in the schoolwide plan (includes strategies like: mentoring, counseling, pupil services, college career awareness, personal finance education, innovative teaching methods).

Our goal of focusing on MTSS will address this process.

Please describe the strategies used at your school to attract high-quality, highly-qualified teachers.

We do not currently employ non highly qualified staff, but if we do, we will make parents aware.

High-quality and ongoing professional development based on scientifically based research for teachers, principals, paraprofessionals, and if appropriate, pupil service personnel, parents and other staff to ensure students meet state standards.

We will provide PD in our opening week and on an ongoing basis throughout the school year.

Strategies to increase parent involvement, such as family literacy services.

We provide suggested resources for work at home, including online programs, and post workshops for parents, and host Curriculum Night.

Plans for assisting preschool children in the transition from early childhood programs such as Head Start, Even Start, Early Reading First, or a state-run preschool program, to the local elementary program. **Not applicable to middle or high school buildings.

We have added a new building and three pre-k classrooms for the SY21 school year.

Measures to include teachers in decisions regarding the use of academic assessments in order to improve the achievement of individual students and the overall instructional program.

We have structures in place to address this including the ILT and Student Support Teams.

Activities to ensure that students who experience difficulty mastering the proficient or advanced levels of academic achievement standards shall be provided with effective, timely additional assistance, which shall include measures to ensure students' difficulties are identified on a timely basis and to provide sufficient information on which to base effective assistance.

Our goal of focusing on MTSS will address this process.

Coordination and integration of federal, state, and local services and programs including programs supported under No Child Left Behind, violence prevention programs, nutrition programs, housing programs, Head Start, adult education, vocational and technical education, and job training. Please describe how this will be accomplished.

We work with community partnerships to engage students supported by NCLB programs.

ESSA Targeted Assistance Program

Parent Involvement and Schoolwide Programs

I verify that the statement below is correct

Every Student Succeeds Act (ESSA), the reauthorization of the Elementary and Secondary Act of 1965 continues a legislative commitment to parental involvement. Central features of prior reauthorizations, such as school-parent compacts, parent involvement policies, and the parent involvement funding formula remain unaltered. However, the ESSA reauthorization represents a notable shift in the role of parental involvement in the schools. It includes new provisions increasing parental notification requirements, parental selection of educational options, and parental involvement in governance. It envisions parents as informed and empowered decision makers in their children's education.

Parent and Family Plan

Parent and Family Engagement Policy (Complete)

Schools must involve parents and family in the joint development and periodic review and revision of the ESSA, Title I school parental and family engagement plan and policy, and in the process of school review and improvement. Please describe how this will be accomplished.

At monthly LSC and Title 1 meetings, we will do check-ins for the ESSA and the CIWP.

The school will hold an annual meeting at a time convenient to parents and families during the first month of school to inform them of the school's participation in ESSA, Title I programs and to explain the Title I requirements and their right to be involved in the Title I programs. The school will also offer a number of additional parental and family engagement meetings, including school PAC meetings, at different times and will invite all parents and key family members of children participating in the ESSA, Title I program to these meetings, and encourage them to attend. Please describe how this will be accomplished. Please list the projected date of your Title I Annual Meeting and your Title I PAC Organizational Meeting

September 13 is our projected date.

At the request of parents and family members, schools will provide opportunities for regular meetings, including the School Parent Advisory Council meetings, for parents and family members to formulate suggestions and to participate, as appropriate, in decisions about the education of their children. Please describe how the school will immediately respond to any such suggestions.

We will form sub-committees to address any concerns that arise.

Schools will provide parents a report of their child's performance on the State assessment in at least math, language arts and reading. Please describe how this will be accomplished.

We will hand the report out at report card pickup.

Schools will provide parents timely notice when their child has been assigned to, or taught by, a teacher who is not "highly qualified," as defined in the Title I Final Regulations, for at least four (4) consecutive weeks. Please describe how this will be accomplished.

We do not currently employ non highly qualified staff, but if we do, we will make parents aware.

Schools will assist parents of participating ESSA Title I children in understanding: the state's academic content standards; the state's student academic achievement standards; the state and local academic assessments including alternate assessments; the requirements of Title I, Part A; how to monitor their child's progress; and how to work with educators. Please describe how this will be accomplished.

Teachers will be involved in educating parents and students at report card pickup.

Schools will provide information, resources, materials and training, including literacy training and technology, as appropriate, to assist parents and family members in working with their children to improve their academic achievement, and to encourage increased parental involvement. Please describe how this will be accomplished.

We provide suggested resources for work at home, including online programs, and post workshops for parents, and host Curriculum Night.

Schools will educate all staff in the value and utility of contributions by parents and family and in how to reach out to, communicate and work with, parents and family as equal partners in the education of their children and in how to implement and coordinate parent and family programs and build ties with parents and family members. Please describe how this will be accomplished.

Teachers regularly communicate via Class Dojo and we show appreciation for parents during school events.

Schools will, to the extent feasible and appropriate, coordinate and integrate parent and family programs and activities with Head Start, Reading First, Early Reading First involvement, Even Start, Home Instruction Programs for Preschool Youngsters, the Parents as Teachers Program, public preschool, and other programs, to further encourage and support parents and families in more fully participating in their children's education. Please describe how this will be accomplished.

We have three additional pre-k programs for SY21.

Schools will ensure that information related to the school and parent and family programs, meetings, and other activities is sent to parents in understandable and uniform formats, including language. Please describe how this will be accomplished.

We always include newsletters in Spanish and Polish and post all materials on our website in a timely manner.

Policy Implementation Activities
