Strategies

Strategy 1

If we do...	If we establish clear school-wide behavior expectations for all students, and develop a system for monitoring and communicating findings with all stakeholders,
Then we see...	Then we will see, an increase in feelings of shared ownership of students among staff through consistent enforcement of expectations for all students with confidence and concrete support,
which leads to...	Which will lead to, -students knowing what is expected of them in different aspects of school in a safe, consistent learning environment -all stakeholders being communicated with about behavior expectations and disciplinary actions. We will measure our success by the following criteria: -By May of 2022 we will move to 90% from 69% of students indicating they know how to respectfully resolve a disagreement on our internal SEL survey (winter 2019) and -By May of 2022 we will move to 90% from 0% of students understanding that all staff hold them accountable for actions as evident in a student survey -By May of 2022 we will move to 60% from 33% of teachers reporting Included opportunities to work productively with my colleagues in my school on the 5 essentials

ESSA Program

ESSA Schoolwide Program

The school must annually review the schoolwide plan/program. The schoolwide program plan is available to CPS, parents, and the public, and the information in the plan is in an understandable and uniform format, and to the extent practicable in a language the parents can understand. Please list evidence for the ESSA Schoolwide Program requirements outlined below.

Non-title I school that does not receive any Title I funds

ESSA Targeted Assistance Program

Parent Involvement and Schoolwide Programs

I verify that the statement below is correct

Every Student Succeeds Act (ESSA), the reauthorization of the Elementary and Secondary Act of 1965 continues a legislative commitment to parental involvement. Central features of prior reauthorizations, such as school-parent compacts, parent involvement policies, and the parent involvement funding formula

remain unaltered. However, the ESSA reauthorization represents a notable shift in the role of parental involvement in the schools. It includes new provisions increasing parental notification requirements, parental selection of educational options, and parental involvement in governance. It envisions parents as informed and empowered decision makers in their children's education.

Parent and Family Plan

Parent and Family Engagement Policy (Complete)

Schools must involve parents and family in the joint development and periodic review and revision of the ESSA, Title I school parental and family engagement plan and policy, and in the process of school review and improvement. Please describe how this will be accomplished.

Parents were included in virtual open houses to give feedback on the CIWP

The school will hold an annual meeting at a time convenient to parents and families during the first month of school to inform them of the school's participation in ESSA, Title I programs and to explain the Title I requirements and their right to be involved in the Title I programs. The school will also offer a number of additional parental and family engagement meetings, including school PAC meetings, at different times and will invite all parents and key family members of children participating in the ESSA, Title I program to these meetings, and encourage them to attend. Please describe how this will be accomplished. Please list the projected date of your Title I Annual Meeting and your Title I PAC Organizational Meeting

NA

At the request of parents and family members, schools will provide opportunities for regular meetings, including the School Parent Advisory Council meetings, for parents and family members to formulate suggestions and to participate, as appropriate, in decisions about the education of their children. Please describe how the school will immediately respond to any such suggestions.

Principal relays messages and potential solutions to LSC

Schools will provide parents a report of their child's performance on the State assessment in at least math, language arts and reading. Please describe how this will be accomplished.

Parents made aware of reports through parent email and paper fliers

Schools will provide parents timely notice when their child has been assigned to, or taught by, a teacher who is not "highly qualified," as defined in the Title I Final Regulations, for at least four (4) consecutive weeks. Please describe how this will be accomplished.

Emails and paper copies

Schools will assist parents of participating ESSA Title I children in understanding: the state's academic content standards; the state's student academic achievement standards; the state and local academic assessments including alternate assessments; the requirements of Title I, Part A;

how to monitor their child's progress; and how to work with educators. Please describe how this will be accomplished.

NA

Schools will provide information, resources, materials and training, including literacy training and technology, as appropriate, to assist parents and family members in working with their children to improve their academic achievement, and to encourage increased parental involvement. Please describe how this will be accomplished.

NA

Schools will educate all staff in the value and utility of contributions by parents and family and in how to reach out to, communicate and work with, parents and family as equal partners in the education of their children and in how to implement and coordinate parent and family programs and build ties with parents and family members. Please describe how this will be accomplished.

NA

Schools will, to the extent feasible and appropriate, coordinate and integrate parent and family programs and activities with Head Start, Reading First, Early Reading First involvement, Even Start, Home Instruction Programs for Preschool Youngsters, the Parents as Teachers Program, public preschool, and other programs, to further encourage and support parents and families in more fully participating in their children's education.
