## Goals

### Areas of critical need and root cause analysis

Area of Critical Need 1	Engaging science instructor aligned to NGSS across grade levels
Root Cause 1	Amplify Science is too technology dependent, lack of familiarity with other NGSS aligned curricula
Area of Critical Need 2	Transition to Middle School for 5th Graders, who struggle with middle school schedule
Root Cause 2	Lack of orientation for incoming 6th graders, need for explicit instruction around transition to middle school
Area of Critical Need 3	EL Program rating was only Partially Implemented
Root Cause 3	Planning documents of the teacher(s) assigned to provide ESL instruction,

	<p>did not reflect the use of WIDA ELD (or E-ELD, as appropriate) for planning language instruction. Planning documents of teacher(s) assigned to provide sheltered language instruction across the core content in English did not show evidence of using the WIDA ELD (or E-ELD, as appropriate) standards for planning for differentiation.</p>

# Strategies

## Strategy 1

If we do...	support student's personal growth by helping them develop executive function skills, fostering self-advocacy and civic engagement, and providing explicit instruction around excellent academic habits
Then we see...	Students better prepared for the rigors of Middle School, High School and Post Secondary.
which leads to...	Students rate school as Very Strong on the 2020 My Voice, My School Survey, Improved performance on 6th grade NWEA Math and Reading, as well as improved long term outcomes for students.

**Strategy 2**

If we do...	Identify hands on, highly engaging, vertically aligned NGSS based Science curriculum in grades K-5
Then we see...	more rigorous, interactive science instruction that is aligned to NGSS and sequenced to support student mastery of informational text.
which leads to...	a more cohesive science curriculum that prepares students for Middle and High school science and improved performance on the Illinois Science Assessment.

**Strategy 3**

If we do...	develop proactive, comprehensive, and effective systems of student support through staffing and scheduling that focused on intervention and enrichment. We will create a flexible, student centered schedule that allows us to adapt to student needs throughout the year, maximizes collaborative time between teachers, admin, and ESPs, and provide rotating small groups for SEL, executive function, and remediation. And we will identify, hire, and train highly qualified or capable intervention specialists to lead progress monitoring for specific subjects/grade bands.
Then we see...	enhanced learning opportunities for all students, greater focus on individual learning needs, targeted student interventions, and more targeted feedback to students
which leads to...	Meeting the needs of all learners through intervention and enrichment, and substantial growth in terms of attainment and overall RIT on NWEA reading and math assessments.

## **ESSA Targeted Assistance Program**

---

## Parent Involvement and Schoolwide Programs

I verify that the statement below is correct

Every Student Succeeds Act (ESSA), the reauthorization of the Elementary and Secondary Act of 1965 continues a legislative commitment to parental involvement. Central features of prior reauthorizations, such as school-parent compacts, parent involvement policies, and the parent involvement funding formula remain unaltered. However, the ESSA reauthorization represents a notable shift in the role of parental involvement in the schools. It includes new provisions increasing parental notification requirements, parental selection of educational options, and parental involvement in governance. It envisions parents as informed and empowered decision makers in their children's education.

## Parent and Family Plan
