## Strategies

### Strategy 1

If we do...	deliver instruction aligned to International Baccalaureate (IB) principals and Common Core State Standards (CCSS) cognitive complexity and monitor the effects of teaching and learning through formative assessments, peer observations, learning walks, and professional learning cycles
Then we see...	students as independent critical thinkers and teachers as facilitators of aligned tasks that require high level student thinking and explanation of their thinking
which leads to...	an increase in students engagement in the lesson and conceptual understanding of content in all subjects (Science, Technology, English, Arts & Mathematics) which will lead to higher student growth in taught standards on classroom assessments, quarterly assessment, NWEA, an increase in the percentage of students at or above proficiency on the BAS literacy assessment and MAP math assessment

**Strategy 2**

If we do...	implement systems and protocols to analyze formative and summative data
Then we see...	teachers will adapt instruction based on student need and identified Common Core State Standard (CCSS)
which leads to...	an increase in students making growth in Literacy and Math on the MAP assessment and student attainment across all subjects.

### Strategy 3

If we do...	create a sustainable Multi-Tiered System of Supports (MTSS) framework, beginning with Tier 1 expectations for all key components of learning (academics, attendance, behavior, and social-emotional learning)
Then we see...	All stakeholders implementing Tier 1 (core) instructional strategies and assessments with fidelity and when appropriate Tier 2 (targeted) & Tier 3 (intensive) strategies and assessments for student who are not responding to Tier 1 instruction.
which leads to...	Early identification of struggling students and clarity in determining next steps for fading, exiting or intensifying interventions.

**Strategy 4**

If we do...	create a collaborative environment with intent that involves staff, students, parents and community partners (PPLC, PTO, LSC, Wildwood PAC, Afterschool etc.)
Then we see...	the above stakeholder groups supporting an outstanding school that fosters creative problem solving, collaboration across stakeholders and respect for inclusive values
which leads to...	increased participation in school improvement efforts such as, but not limited to, LSC meetings, PTO participation, and an increase in relational trust as measured by the 5Essentials Survey and school created qualitative surveys

## Action Plan

### Strategy 1

Create unit plans and weekly lesson plans inclusive of International Baccalaureate (IB) principals and aligned to the scope and sequence of common core state standards (CCSS) during professional development days/grade level days.

Aug 31, 2020 to Aug 29, 2022 - Principal, Assistant Principal, ILT, General Education Teachers, Diverse Learner Teachers

Apply Universal Design for Learning (UDL) principals to unit plans which give ALL students an equal opportunity to succeed. UDL offers flexibility in the ways students access material, engage with it and show what they know

Aug 31, 2020 to Aug 29, 2022 - Principal, Assistant Principal, ILT, General Education Teachers, Diverse Learner Teachers

Differentiate plans using students using pre and post-assessment data during grade level meeting days.

Aug 31, 2020 to Aug 29, 2022 - Principal, Assistant Principal, ILT, General Education Teachers, Diverse Learner Teachers

ILT will create a professional learning cycle and planning protocol with a focus on academic rigor and alignment. Components of the cycle will address planning, peer observations and learning walks

Aug 31, 2020 to Aug 29, 2022 - Principal, Assistant Principal, ILT

Create structures for vertical planning/collaboration time between grade bands & General Education/Diverse Learner Teachers.

Jul 01, 2020 to Aug 31, 2020 - Principal, Assistant Principal

### Strategy 2

Develop structures for ALL students to use achievement data to set goals to monitor their own progress

### Parent Involvement and Schoolwide Programs

I verify that the statement below is correct

Every Student Succeeds Act (ESSA), the reauthorization of the Elementary and Secondary Act of 1965 continues a legislative commitment to parental involvement. Central features of prior reauthorizations, such as school-parent compacts, parent involvement policies, and the parent involvement funding formula remain unaltered. However, the ESSA reauthorization represents a notable shift in the role of parental involvement in the schools. It includes new provisions increasing parental notification requirements, parental selection of educational options, and parental involvement in governance. It envisions parents as informed and empowered decision makers in their children's education.
