Strategies

Strategy 1

If we do...	develop K-8 vertical alignment through scope and sequence to increase collaboration between grade bands and identify skill gaps
Then we see...	focused and collaborative efforts by teachers across grade bands/subjects during teacher team meetings, flex day meetings, and professional development days to eliminate skill gaps and create cohesion
which leads to...	an increase in growth on the EOY NWEA Reading and Math.

Strategy 2

If we do...	engage students in learning and foster student ownership through personalized instruction to meet the needs of all students and through the challenging framework of the IB Middle Years Programme
Then we see...	an increase in student led and student focused instruction through small group instruction, centers, conferencing, project based instruction, students making practical connections between their studies and the real world, and student self assessment and a balanced education for early adolescents
which leads to...	increase in growth & attainment in Reading and Math on the EOY NWEA, the increase in Supportive Environment on the 5 Essential Survey, and positive feedback school created student surveys.

Strategy 3

If we do...	provide universal Tier I, II, III structures for K-8 students using 5 week data cycles to ensure that all students are receiving the necessary supports based on skill level and need
Then we see...	see students receiving targeted interventions based on academic, SEL, attendance, and behavior needs
which leads to...	a decrease in discipline referrals, increase in on-track, NWEA EOY attainment and growth in Reading and Math, increase in Supportive Environment on the 5 Essentials.

ESSA Targeted Assistance Program

Parent Involvement and Schoolwide Programs

I verify that the statement below is correct

Every Student Succeeds Act (ESSA), the reauthorization of the Elementary and Secondary Act of 1965 continues a legislative commitment to parental involvement. Central features of prior reauthorizations, such as school-parent compacts, parent involvement policies, and the parent involvement funding formula remain unaltered. However, the ESSA reauthorization represents a notable shift in the role of parental involvement in the schools. It includes new provisions increasing parental notification requirements, parental selection of educational options, and parental involvement in governance. It envisions parents as informed and empowered decision makers in their children's education.
